

Capital Improvement Program 2012 - 2017

Periods Ending

December 31, 2014 & January 31, 2015

MONTHLY STATUS REPORT

To the Members of the DeKalb County Board of Education (BOE), DeKalb County School District (DCSD) Superintendent, DCSD staff, DCSD students, DCSD Special Purpose Local Option Sales Tax (SPLOST) Oversight Committee, and DeKalb County community, the URS Team (URS), which includes CERM, Brailsford & Dunlavey, and EGM is pleased to issue the Monthly Status Report (MSR) for the period ending December 31, 2014 and January 31, 2015 for the DeKalb County School District's (DCSD) Capital Improvement Program (CIP). This Program includes DCSD's 2012-2017 CIP (SPLOST IV) and the remainder of the District's SPLOST III projects.

URS and Program Management Team have a considerable amount of experience in design and construction, which we are using to make this the most successful CIP that DCSD has experienced. URS is dedicated to providing clear and concise program/project information. The purpose of this report is to provide the highlights of the Program and Projects, not necessarily every detail of every project. With the assistance and support of DCSD's Accountability Team, we can gather the facts, analyze them as a whole, determine the most beneficial path for the School District and the community, and make informed decisions.

For the Months of December 2014 and January 31, 2015, we managed approximately \$557.9 million reflecting, \$36.0 million in SPLOST III projects (13 projects in approximately 69 schools), one QSCB project for \$57.6M, and about \$464.2 million in SPLOST IV projects (117 projects in a number of schools). There was no change to the December 2014 budget numbers, for the month of January 2015.

All of these projects are "active," either in a Pre-Design, Design Procurement, Design, Pre-Construction, Construction, or Non-Construction phases (use chart on page A-6 for list).

We are dedicated to making this a successful Program for all. For questions or comments about this report, please send your query in writing to the DCSD Operations Division – Department of Facilities Management, ATTN: URS Interim Program Director, John D. Wright, 1780 Montreal Road, Atlanta, GA 30084.

Sincerely,

John D. Wright

DCSD CIP Interim Program Director

As required by the District's policy and as a convenience to you, we have posted an electronic version of this report on the SPLOST IV web page at http://www.dekalb.k12.ga.us/operations/monthly-status-report/

Background

The fourth consecutive Special Purpose Local Option Sales Tax (SPLOST) to fund capital improvements throughout the DeKalb County School District (DCSD) was voted into law by the citizens of DeKalb County on November 8, 2011. This SPLOST is commonly referred to as SPLOST IV and it projected to generate \$475 million in sales tax revenue for the District's Capital Improvement Program (CIP) over a five year period. In addition, the CIP is also projected to receive \$21 million in Georgia Department of Education (GaDOE) reimbursements through the State Capital Outlay Program, resulting in a total program value of \$496 million. Also, work continues on projects funded during the previous SPLOST. While the program funding is large, it will only address a portion of the \$2.2 billion of the District's facility needs, as identified within the 2011 Comprehensive Facilities Assessment Report, dated June 2011. Projects have been prioritized and budgeted in accordance with the urgency of the identified needs.

The CIP includes, but is not limited to, the construction of seven teardown / re-build elementary schools, one teardown / re-build middle school, six major additions/renovations, one teardown / re-build high school (continuing from SPLOST III), critical building system upgrades, roof replacements, stadium upgrades, the refreshment of technology equipment and associated infrastructure, improvements to comply with the Americans with Disabilities Act (ADA), safety/security system upgrades, and the purchase of school bus and service vehicles. It also includes the allocation of funds to support the Local School Priority Request (LSPR) program, which allows each school to make their own capital improvement requests.

This Monthly Status Report (MSR), prepared by the URS Program Management staff, reports on the progress of the remaining SPLOST III projects and all of the SPLOST IV program for the periods of **December 31, 2014 and January 31, 2015**.

The DCSD CIP (2012-2017) Monthly Status Report (MSR)

While providing Program Management services, the CIP Team is implementing new processes and procedures, as well as improving upon existing methods, to help streamline the reporting structure. The Monthly Status Report is key to this reporting structure – it is the CIP's "Report Card." To produce the MSR, we work closely with DCSD's Design and Construction Department to clearly and consistently report the status of all projects, taking a snapshot of data at monthly intervals. Our collective goal is to promote transparency and to give the reader the ability to easily review the status of the Program at multiple levels: program-level, regional-level, and project-specific level.

This MSR is organized into five sections:

A. Executive Summary

This section of the report provides a high level snapshot of the month's activities at a program level. This section contains a description of the Program, along with any major changes that may have occurred during this period: a status of revenues and expenditures for both SPLOST III and IV, a graphical representation of the SPLOST revenues as it relates to the obligations that have been incurred, and the progress of the Program. In our continuing efforts to improve this MSR report, we have enhanced the high-level summary list of all SPLOST IV projects and remaining SPLOST III projects by adding the Earned Value Management (EVM) techniques for

SPLOST IV projects to indicate numerically the status of each project. In this MSR, these will continue to show as red and green but in future issues, each project will have a number value.

B. Regional Program Summary

For each of the five regions of the district, this portion of the MSR is structured to give the reader a dashboard review of the **active** projects, including SPLOST III and IV funding information. For the purpose of this report, a project is considered "active" from the Early Start Date identified on the Master Program Schedule through the project's final closeout. District-wide projects are also addressed here. For ease of use, the regions are color coded to correspond to the regional map inside the front cover of this MSR, with the color gray associated with the District-wide projects.

The sub-sections include the following information:

- Region-specific information on each of the Regions, along with each Region's share of District-Wide Projects
- Regional budget summaries that include charts showing the funding activity of the remaining SPLOST III and SPLOST IV active projects
- List of active projects by school location with their specific budget information
- Regional map with school locations
- Master schedule of active projects

C. Active Project Status Report

This section provides a status report on all active school projects and district-wide projects. The project status reports are listed alphabetically and provide the following for each active project:

- Project name, number, phase, project manager, architect/engineer, and contractor
- Project Manager's Update generally describing significant facts and events occurring during the preceding month, so the reader is informed of the progress of the project
- Project Budget/Forecast Update reports that reflect the status of these metrics and invoicing of the project
- Summary of change orders that have been approved and their potential effect on the scope, budget, and schedule

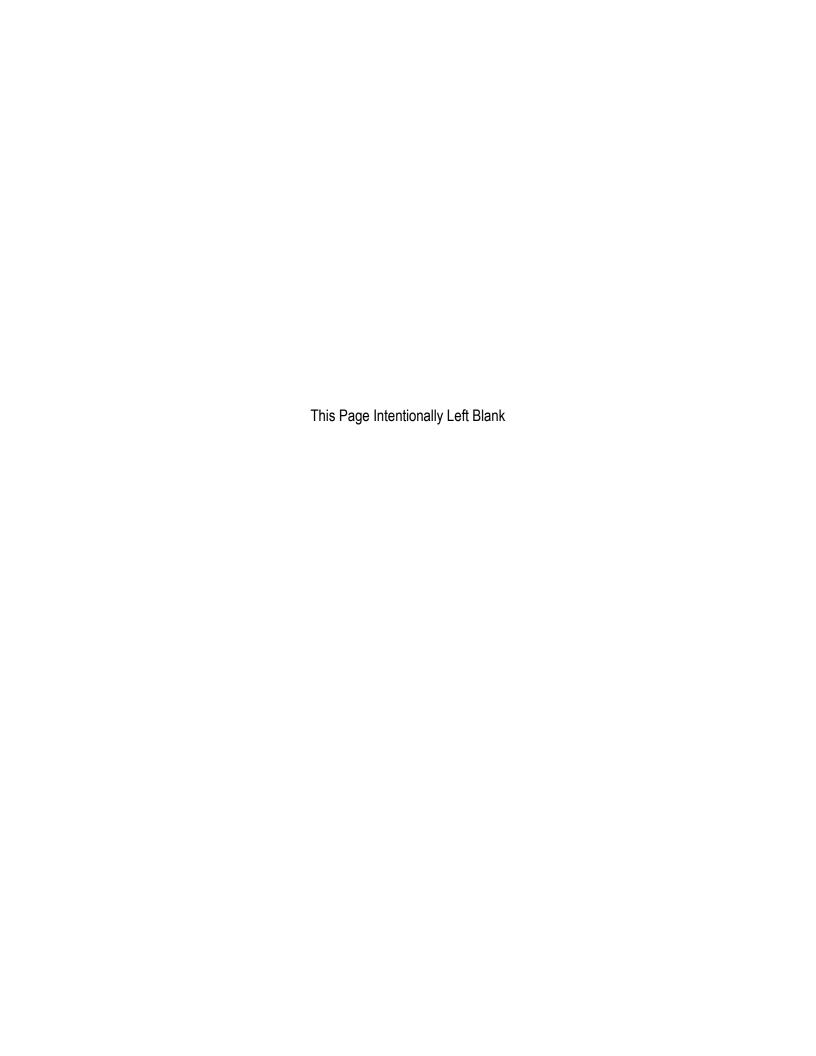

D. Attachments & Appendices

This section of the report includes the following:

- SPLOST III Master Program Budget
- SPLOST III Sales Tax Revenues
- SPLOST III Sales Tax Expenditures
- SPLOST III Master Program Schedule (each project is rolled up to a single line)
- SPLOST IV Master Program Budget
- SPLOST IV Funding, Obligations, and Expenditures
- SPLOST IV Funding Sources
- SPLOST IV Master Program Schedule (each project is rolled up to a single line)
- Glossary of Construction and CIP Terms

Capital Improvement Program MONTHLY STATUS REPORT

SECTION A. EXECUTIVE SUMMARY

- Program Description
- Program Funding, Obligations & Expenditures
- Status of Funding, Obligations, and Expenditures
- General Program Progress
- Earned value Management Initiative
- Key Focus Areas for the Following Month
- Alphabetical List of SPLOST III and IV Projects
- Completed Projects

EXECUTIVE SUMMARY.

This section of the report provides a high-level snapshot of the month's activities on a Program Level. This section contains a description of the Program along with any major changes that may have occurred during this period. This includes a status of revenues and expenditures for both SPLOST III & IV, a graphical representation of the SPLOST revenues as it relates to the obligations that have been incurred, and the progress of the Program. As a quick summary reference, an alphabetical list of all SPLOST IV projects and remaining SPLOST III projects is provided for your use and review.

A. EXECUTIVE SUMMARY

Within this Executive Summary, we provide a brief overview of the Program Elements:

- 1. Program Funding, Obligations, and Expenditures
- 2. Status of Funding, Obligations, and Expenditures
- 3. General Program Progress
- 4. Earned Value Management Initiative
- 5. Key Focus Areas for Next Month
- 6. Alphabetical List of SPLOST III and SPLOST IV Projects
- 7. Completed Projects

Beyond the Executive Summary, this Monthly Status Report is a snapshot of the Program for both the remainder of SPLOST III and for the active SPLOST IV projects. This report has been developed in a manner of increasing detail. Section A is the Executive Summary with a very broad view of the Program. Section B drills down into the Program, giving specific detail on a regional level. Section C discusses the Program on a project/campus level. Section D provides additional details: logs, schedules, budgets, and a glossary of terms.

This month's report includes reporting from December 1, 2014 – December 31, 2014 and January 1, 2015 – January 31, 2015. The data date for this periods is on **December 31, 2014 and January 31, 2015**. We collect and present the information that is available as of the data date.

Program Description

The Capital Improvement Program touches many of the facilities and schools in the DeKalb County School District. The primary areas of focus for the CIP include:

- Retirement of existing CIP's financial debt
- Completion of SPLOST III work
- New/replacement of seven (7) elementary schools and one (1) middle school
- Major roofing, HVAC, code & life safety improvements
- Six (6) major additions and/or renovations
- Career technology, fine arts, & classroom additions
- Renovations of classrooms from floor to ceiling
- Technology upgrades to all facilities
- Replacement of school buses and aging service vehicles

1. Program Funding, Obligations & Expenditures

Tables 1 and 2 reflect the sales tax receipts for SPLOST III and SPLOST IV. For SPLOST III, the only revenue that continues to accrue is GaDOE Reimbursements for Martin Luther King Jr. High School, Miller Grove High School, and Southwest DeKalb High School projects, for the forecasted reimbursement of

\$23.5 million. For SPLOST IV, we have accrued \$1.9 million in GaDOE Reimbursements for Fernbank ES and Peachcrest ES.

The total program budgeted receipts for SPLOST IV is \$534.0 million of which \$475.0 million is anticipated from sales tax receipts, \$21.0 million is anticipated in reimbursements from the DOE over the life of the Program, and \$38.0 million in bonds issued by the District to enable the implementation of system-wide technology upgrades, vehicle purchase, and infrastructure refresh which started being implemented in early 2013.

Distribution of the SPLOST IV revenue from the Department of Revenue lags one month from when the actual revenue is collected at the cash register by merchants.

Program Funding: Table 1 & 2 below reflect current obligations and expenditures for SPLOST III & SPLOST IV for the period ending **December 31, 2014 and January 31, 2015**.

Period Ending December 31, 2014:

SPLOST IV	\$534.0M	\$280.4M	\$239.2M	\$136.7M	\$84.1M					

2. Status of Funding, Obligations, and Expenditures

Because the SPLOST IV Program is operated on a "cash flow basis," it is critical for the actual funding received to trend at or above the budgeted/planned funding and above projected obligations. As you can see from the Chart 1 for December 2014 and Chart 2 January 2015 below, this is indeed the case. Actual funding received is trending 7% above projected funding levels for this period and sales tax revenues are trending 9% above projected funding levels.

In the Graph below, "Funding" is shown in green, "Obligations" are shown in blue, and "Expenditures" are shown in red. Projected values are shown in dotted lines and actual values are shown in solid lines.

As you can see from this table, the actual funding received to date exceeds the projected funding and the actual obligations are less than the total projected obligations. The requirement is to always keep the obligations less than the funding.

Charts 3 & 4: Value of Active SPLOST III (Funds 415 & 421) Projects & SPLOST IV (Fund 422) Projects. Chart 1 and Chart 2 represent funding, obligations, and expenditures for SPLOST IV only. SPLOST III projects, which is a major part of this program are not shown in chart 1. These are projects that were transitioned from the previous Program Manager at the end of the contractural period for SPLOST III and were included in the URS Team's scope of work to be completed under our existing contract agreement with the District. Charts 3, 4, 5 & 6 reflect total active budgets, obligations, and expenditures to date, for SPLOST III and IV for this reporting period. A detailed breakout of these numbers can be found in Section 4 of this Executive Summary, General Program Progress.

Highlighted Efforts this Reporting Period

Procurement Highlights:

- The procurement activities for this month were slower due to the District being off for the Holiday break.
- Allgood ES (300-422) RFP has been prepared and is anticipated to be released on March 5 and is projected to hit the June Board agenda. The DOE is reviewing the package now. If we get the approval letter from DOE by 2/18, we would be able to move the release up a week and hit the May Board for a June NTP. If that approval does not come in early, the NTP is likely to be July as currently scheduled.
- Hambrick ES (111-422) ITB will be released in March 5 and due on April 9 and will hit the May Board for a June NTP. (It is also currently being reviewed by the DOE.)
- Sam Moss ITB opened on February 5 and bids are due March 12. This will hit the April Board for a May NTP.
- Warren Tech RFP opened on January 29. Proposals are due on March 5 and a recommendation will be submitted for the April Board for a May NTP.
- The Chapel Hill recommendation and February Board was approved. CWI should have has a NOA on February 4. (Not sure of the exact date for that.)

- The Board Agenda Item for Gresham Park ES should be prepared and submitted to the COO by February 13 for the March Board and an April NTP.
- ITBs for Khafra for Subregion 5B need to be prepared.
- The Kingsley ES Roof Design-Build NTP and Kick-off took place January 28. Klein Contracting is the DB.
- The SR 2C (Brian) A/E contracts should be back from the Superintendent.
- The NTPs should have taken place in January, but I don't know the status on this one.
- The scopes were approved in early January for the A/E RFP for Subregion 1C. The RFP was started to be pulled together for release in January. This is now late in terms of the procurement schedule.
- RFPs for the Stadium projects were being developed.
- A feasibility study RFQ was being prepared for Austin ES. Not sure of the status of this.

Please go to the DCSD link: http://www.dekalb.k12.ga.us/solicitations/ to view all of the RFPs.

SPLOST Oversight Committee

The last Oversight Committee Meeting was held Januray 15, 2014. Each month, the CIP Team presents the status of the program to the Committee. After the presentation, the Committee has the opportunity to ask questions for further clarification. Please refer to the following link for meeting minutes: http://www.dekalb.k12.ga.us/splost-iv/oversight-committee/.

The next SPLOST Oversight Committee meeting is scheduled for Thursday, February 12, 2015, at 6:00 p.m. at the Sam Moss Service Center.

4. Earned Value Management Initiative

- Earned Value Management Initiative Earned Value Management (EVM) is a project management technique for measuring project performance and progress against the project plan in an objective manner. It has the ability to combine measurements of scope, schedule, and costs in a single integrated system. Earned Value Management is able to provide forecasts of project performance problems. This reference material is located in the glossary section of this report. Essential features of EVM implementation include:
 - A project plan that identifies work to be accomplished
 - A valuation of planned work, called Planned Value (PV)
 - Actual Cost (AC)
 - Pre-defined "earning rules" (also called metrics) to quantify the accomplishment of work, called Earned Value (EV)

- For the project's schedule and cost performance with EVM, use the following indicators:
 - Schedule performance index (SPI): The ratio of the approved budget for the work performed to the approved budget for the work planned. The SPI reflects the relative amount the project is ahead of or behind schedule, sometimes referred to as the project's schedule efficiency. You can use the SPI to date to project the schedule performance for the remainder of the task.
 - A project with a SPI greater than 1.0 indicates that the project is ahead of schedule. If the project SPI is less than 1.0, then the project is behind schedule. An SPI equal to 1.0 indicates that a project is precisely on schedule.
 - Cost performance index (CPI): The ratio of the approved budget for work performed to
 what you actually spent for the work. The CPI reflects the relative value of work done
 compared to the amount paid for it, sometimes referred to as the project's cost efficiency.
 You can use the CPI to date to project the cost performance for the remainder of the task.
 - A project with a CPI greater than 1.0 indicates that actual cost is less than budgeted cost or that the project is under budget. A CPI less than 1.0 indicates that the project is over budget. A CPI equal to 1.0 indicates that a project is precisely on budget.

Included in the MSR, as the second step in rolling out EVM, we have provided EVM schedules and SPI and CPI performance indexes for all 422 projects that are in procurement and all SPLOST IV projects currently in Design and Construction. EVM calculations can be found in Part C of the MSR for all SPLOST IV projects.

5. Key Focus Areas for Next Month

Major Projects

- DOE Reimbursements For this reporting period, DOE payments submitted to date for SPLOST IV is approximately \$4.6 million. Reimbursements have been collected for Fernbank Elementary School and Peachcrest Elementary School. The CIP Staff will continue to coordinate with various, Architects/Contractors, and respective District Managers to make certain theses reimbursements are submitted to the GaDOE in a timely manner.
- **Procurement Packages** The CIP team in collaboration with DCSD procurement, is preparing the Gresham Park ES / Clifton ES, request fro proposal in preparation for February 2015.

SPLOST III

Green (SPLOST III) color denotes projects that are on schedule or on budget.

Red (SPLOST III) color denotes that the completion date for the project has slipped significantly and the PM's are discussing recovery schedules with the Architect and Contractor.

SPLOST IV

Green (SPLOST IV) color denotes SPI or CPI greater than or equal to 0.95

Red (SPLOST IV) color denotes a SPI or CPI less than 0.95.

Notes:

† Planned Project Start and Planned Project Finish are the project dates approved by DCSD against which the performance schedule is measured. These dates may vary from the current performance schedule dates indicated in the remainder of this report.

Summary of Schedule and Budget Variances

- 334-422 Towers HS SPI .3: Project appears to be slightly behind planned schedule. Not a concern at the moment.
- 510-422 Arts School at former Avondale MS On hold pending DCSD Administration on school programs DESA / DSA.
- 512-422 Henderson MS Renovation/Addition Project is behind original schedule due to additional work approved by the BOE concering the Media Center and Locker Room renovations.
- 513-422 Redan HS Renovation/Addition Currently behind schedule due to rock excavation, unforeseeable underground fire and sewage piping, as well as bad weather conditions.

Capital Improvement Program MONTHLY STATUS REPORT

SECTION B. REGIONAL PROGRAM SUMMARY

- Regions 1-5 DCSD Schools
- District-Wide Projects

REGIONAL PROGRAM SUMMARIES OF ACTIVE PROJECTS

The Regional Summary is an important and new feature of this report. For each of the five regions of the district, this portion of the MSR is structured to give the reader a dashboard review of the active projects, including SPLOST III and IV funding information. For the purpose of this report, a project is considered "active" from the Early Start Date identified on the Master Program Schedule through the project's Early Finish Date, or project substantial completion. District-wide projects are also addressed here. For ease of use, the regions are color coded to correspond to the regional map inside the front cover of this MSR, with the color gray associated with the District-wide projects.

The sub-sections provide valuable information, specifically:

- Region-specific information on each of the Regions, along with each Region's share of District-Wide Projects
- Regional budget summaries that include charts showing the funding activity of the remaining SPLOST III and SPLOST IV active projects
- List of active projects by school location with their specific budget information
- Regional map with school locations
- Master schedule of active projects

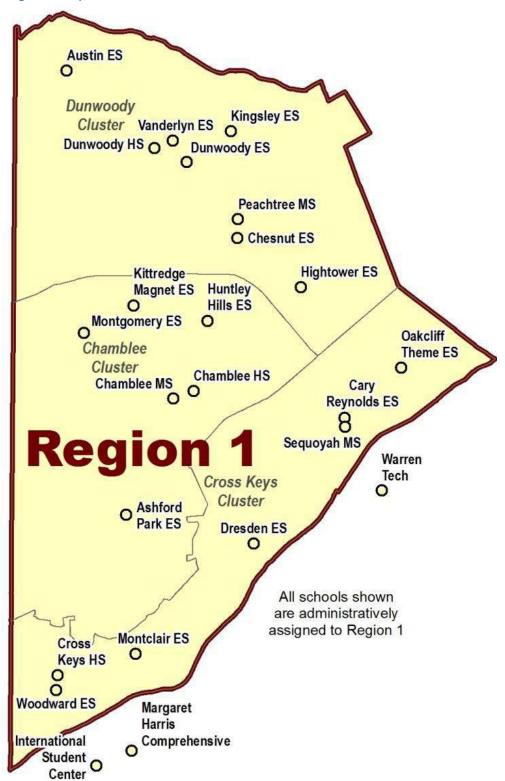

This Page Intentionally Left Blank

SECTION C. ACTIVE PROJECT STATUS REPORTS

Alphabetical listing of Project Status Reports

ACTIVE PROJECT STATUS REPORT

This section provides a status report on all active school projects and district-wide projects. The project status reports are listed alphabetically and provide:

- Project name, number, phase, project manager, architect/engineer, and contractor
- Project Manager's Update generally describing significant facts and events occurring during the preceding month, so the reader is informed of the progress of the project
- Project Budget/Forecast Update reports that reflect the status of these metrics and invoicing of the project
- Summary of major change orders that have been approved and their potential effect on the scope, budget, and schedule

ADA Group A-3 (421-301-023)

ADA Modifications

Locations Margaret Harris Center - 1634 Knob Hill Drive NE, Atlanta, GA 30329

Rockbridge ES - 445 Halwick Way, Stone Mountain, GA 30083

 $\textbf{Stone Mountain ES} \text{ -} 6720 \text{ James B. Rivers Drive, Stone Mountain, GA} \quad 30083$

Stone Mountain HS - 4555 Central Drive, Stone Mountain, GA 30083

Project ManagerGreg Smith, URSArchitect/EngineerUpBuild Design

Project Phase Construction / Close-out Contractor D.A. Edwards

Margaret Harris existing playground

New counter at Rockbridge ES at the Special Education classroom

Stone Mountain ES existing restroom

Stone Mountain HS completed ramp with rails to track

Project Scope of Work

The scope of work includes improving ADA access to campus facilities and play areas for the above mentioned schools and locations. Primary Scope Items include:

Margaret Harris Center

- Demolish existing playground equipment.
- Grade play-area and provide ADA surfacing.
- Procurement and installation of new ADA play equipment and two (2) ADA swings.

Rockbridge Elementary School

- Reconfigure / remodel select existing student restrooms to provide ADA accessibility.
- Reconfigure / remodel existing staff restroom to provide ADA accessibility.
- Reconfigure / remodel existing Special Education restroom to provide ADA accessibility.

Stone Mountain Elementary School

- Reconfigure / remodel select existing student restrooms to provide ADA accessibility.
- Reconfigure / remodel existing staff restroom to provide ADA accessibility.
- Reconfigure / remodel existing Special Education restroom to provide ADA accessibility.

Stone Mountain High School

- Reconfigure / remodel two (2) existing staff restrooms to provide ADA accessibility.
- Reconfigure / remodel select existing student restrooms to provide ADA accessibility.
- Provide ADA compliant concrete ramps and walkways to the play fields.

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- Stone Mountain Elementary School demolition and construction has started and is on-going. ADA Upgrade modifications are taking place under the phased construction schedule for the HVAC project that takes place during the school year. Major project scope elements including gang restroom construction and teachers lounge staff bathroom modifications took place over winter break. The only remaining scope is the Special Education Classroom En-suite bathroom modifications which may have to take place over summer. This work generates a lot of dust that could be a major detriment to the children and the learning environment.
- Margaret Harris Center playground shop drawings have been approved and submitted to the contractor for fabrication. Fabrication is now taking place and installation is expected for Spring.
- Rockbridge ES and Stone Mountain HS are complete with construction with exception to Fire Marshall sign off. The contractor is currently putting together close-out documentation for these schools.
- D.A. Edwards has submitted close-out documentation which is currently in review with Upbuild Design.

Project Budget/Forecast Update

421-301-023			EXPENDI	TURES	
Activity	Current Budget (B)	Current Commitments	Forecast (F)	To Date	Budget Variance (B - F)

PROJECT TOTAL	\$676,744	\$575,170	\$665,678	\$410,074	\$11,066

Change Order Summary

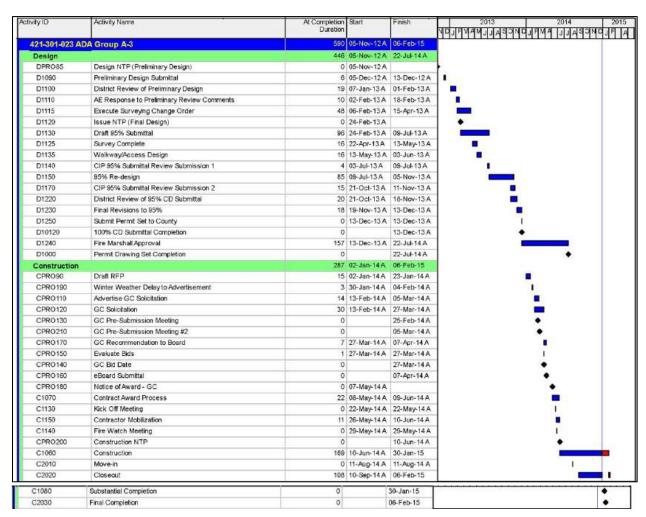

- A Change Request for the valve replacement at Stone Mountain High School was submitted and approved by DCSD.
- A Change Order Bundle that included changes based primarily on unforeseen conditions that occurred during construction was submitted to DCSD. This package is still under review.
- A change order request was received by URS and rejected by DCSD. DA Edwards disputes the rejection and is making a claim against DCSD. A meeting related to this was held on October 10, 2014. DA Edwards is proceeding with the Margaret Harris Center work, and has formally submitted a claim that will be addressed when the work has been completed.

Project Schedule Update

Stone Mountain ES remaining construction will have to take place over summer due to the generation of dust from the demolition activities. Margaret Harris Center Playground construction will take place in Spring. The contractor has notified DA Edwards that there are temperature constraits for the playground surface installation.

Major Project Issues

 Stone Mountain Elementary School and Margaret Harris Center are both behind the originally anticipated schedule due to permit issues on Stone Mountain ES and claim related issues on Margaret Harris Center Playground.

ADA Group E (421-305)

ADA Modifications

Locations Chapel Hill ES - 3536 Radcliffe Boulevard, Decatur, GA 30034

Clifton ES - 3132 Clifton Church Road SE, Atlanta, GA 30316

Meadowview ES - 1879 Wee Kirk Road, Atlanta, GA 30316

Miller Grove MS - 2215 Miller Road, Decatur, GA 30035

Salem MS - 5333 Salem Road, Lithonia, GA 30058

Project Manager Greg Smith, URS Architect/Engineer CDH Partners

Project Phase Construction Contractor Construction Works, Inc.

Chapel Hill ES Restroom after Construction

Chapel Hill ES Main Entrance Renovations

Chapel Hill ES Restroom after Construction

Miller Grove MS Ramp to Play Field

Project Scope of Work

The scope of work includes improving ADA access to campus facilities and play areas for the above mentioned schools and locations. Primary scope items include:

Chapel Hill Elementary School

- Provide ADA compliant parking spaces and ADA accessible route to school's main entrance.
- Provide ADA accessible entrance door and hardware.
- Reconfigure / remodel select existing student restrooms to provide ADA accessibility.
- Reconfigure / remodel one (1) existing staff restroom to provide ADA accessibility.

Clifton Elementary School

- Provide ADA compliant parking spaces and ADA accessible route to school's main entrance.
- Provide ADA accessible entrance door and hardware.
- Reconfigure / remodel (4) existing student restrooms to provide ADA accessibility.
- Remove existing and provide new bus canopy structure.

Meadowview Elementary School

- Provide ADA compliant parking spaces and ADA accessible route to school's main entrance.
- Provide ADA accessible entrance door and hardware.
- Reconfigure / remodel existing student restrooms to provide ADA accessibility.
- Reconfigure / remodel existing clinic to add staff & student ADA accessibility restrooms.
- Provide exterior ADA accessible route to lower level classroom wing from main floor level.
- Provide ADA accessibility to existing route from school to gym & play fields.

Miller Grove Middle School

- Provide ADA compliant parking spaces and ADA accessible route to school's main entrance.
- Provide ADA accessible entrance door and hardware.
- Reconfigure / remodel (5) existing student restrooms to provide ADA accessibility.
- Reconfigure / remodel existing teachers' lounge restrooms to provide ADA accessibility.
- Provide ADA accessible route to existing play fields.

Salem Middle School

- Reconfigure / remodel existing girls' and boys' gym shower and gym restrooms for ADA accessibility.
- Reconfigure / remodel existing teachers' gym office restrooms to provide ADA accessibility.
- Provide ADA accessible route to existing play fields.

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

Chapel Hill ES en-suite restroom designs and the the modified layout for Salem MS by CDH were approved by the County Permitting Office and construction took place over the winter vacation. Partition work and some finish work is all that remains at Salem MS, and the Chapel Hill ES bathroom was completed.

Project Budget/Forecast Update

421-305			EXPENDI	TURES	
Activity	Current Budget (B)	Current Commitments	Forecast (F)	To Date	Budget Variance (B - F)
SUBTOTAL PRECONSTRUCTION SERVICES	\$5,000	\$500	\$500	\$500	\$4,500

SUBTOTAL CONTINGENCY	\$136,447	\$0	\$136,447	\$0	\$0
PROJECT TOTAL	\$919,677	\$656,845	\$846,203	\$479,210	\$73,474

Change Order Summary

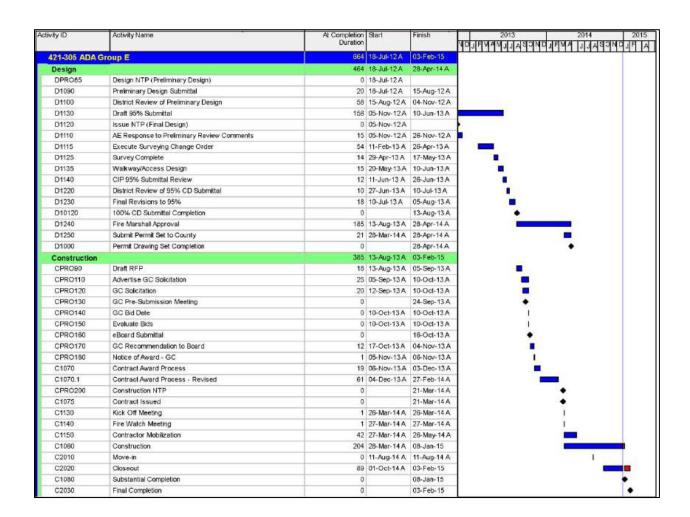

- Change Order Requests are currently being reviewed by DCSD. COR #9 for Magnetic Door Holds at Chapel Hill Elementary School is currently being revised by CWI.
- CDH has submitted Amendment Requests for additional design work and permitting of new designs. This includes the Chapel Hill ES En Suite Bathroom, Salem MS revisions, and the Miller Grove MS modifications. These redesigns were a result of revising major aspects of the Carlsten Sanford drawings.

Project Schedule Update

- Work at Salem Middle School is currently hindered by the partition installations which has roughly a 4-week lead time, and the permit was released just days prior to winter break.
- Punch list walk through's have taken place and CWI is addressing all of the items.

Major Project Issues

No major issues to report at this time.

Adams Stadium (201-422)

Survey

Location: 2383 N. Druid Hills Road N.E. Atlanta, GA 30002

Project Manager Greg Smith, URS Architect/Engineer TBD

Project Phase Pre-Design Contractor TBD

Exterior View Interior View

Project Scope of Work

Stadium survey and engineering assessment, scope verification, and delivery method consultation

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

The previous RFP issued on October 7, 2014 was cancelled and the RFP is being modified to be an engineering assessment only. The DCSD / URS team met with a Turf Vendor and was able to learn more about the industry and how turf installations are typically completed in the state of Georgia. URS is now drafting a Design-Build RFP to complete all of the stadium related components of scope: lighting, fencing, track re-surfacing, and turf.

Project Budget/Forecast Update

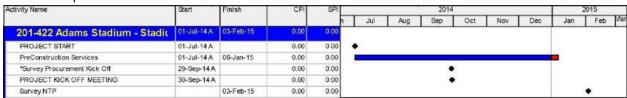

201-422		EXPENDITURES			
Activity	Current Budget (B)	Current Commitments	Forecast (F)	To Date	Budget Variance (B - F)
SUBTOTAL PRECONSTRUCTION SERVICES	\$11,847	\$0	\$36,847	\$0	-\$25,000
SUBTOTAL A/E SERVICES	\$0	\$0	\$0	\$0	\$0
SUBTOTAL GENERAL CONTRACTOR	\$0	\$0	\$0	\$0	\$0
SUBTOTAL CONSTRUCTION SERVICES	\$0	\$0	\$0	\$0	\$0
SUBTOTAL FF&E	\$0	\$0	\$0	\$0	\$0
SUBTOTAL TECHNOLOGY	\$0	\$0	\$0	\$0	\$0
SUBTOTAL CONTINGENCY	\$0	\$0	\$0	\$0	\$0
PROJECT TOTAL	\$11,847	\$0	\$36,847	\$0	-\$25,000

Change Order Summary

No change orders were executed during this period.

Project Schedule Update

No update at this time.

Major Project Issues

The project is behind schedule as a result of the extensive planning effort and because quotes received for the assessment RFP were over budget. Because the projects will be implemented as design-build URS is optimistic time will be made up during construction.

Allgood ES (300-422)

Kitchen equipment and Site Improvements

Project Manager Fritzgerald Joseph, URS Architect/Engineer Cooper Carry, Inc.

Project Phase Design Contractor TBD

Replacement of existing kitchen equipment and missing equipment with new equipment

Existing lighting throughout the building will be replaced

Project Scope of Work

- Kitchen equipment replacement
- Replace lighting throughout the building
- Cooling tower and heat exchanger replacement
- Sidewalk up grade
- Replace water storage tanks with gas fired water heater
- Replace sanitary waste lines
- Fire and life safety upgrades

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

 On December 16, 2014 the Architect finalized the 100% construction documents and has submitted them to DCSD for final review and approval. GC solicitation documents are being prepared by Procurement.

Period Ending December 31, 2014

Major Project Issues

Arts School at Former Avondale MS (510-422)

 Location:
 3131 Old Rockbridge Rd
 Avondale Estates, GA
 30002

 Project Manager
 Brian Albanese, URS
 Architect/Engineer
 TBD

 Project Phase
 Pre-Design
 Contractor
 TBD

Project Scope of Work

 Voters approved \$3,970,000 to consolidate DESA and DSA at Avondale MS. This project is to include modifications, upgrades, and additions to Avondale MS for an arts school.

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

No activity has occurred during this reporting period.

Major Project Issues

 This project has risk of running behind schedule. DCSD curriculm and instruction are working through developing the final education program requirements for this school.

Austin ES (501-422)

Replacement School

Location: 5435 Roberts Drive Dunwoody, GA 30338

Project Manager Brian Albanese, URS Architect/Engineer TBD

Project Phase Design Contractor TBD

Project Scope of Work

- The scope of work for this project is to use the prototypical design for a 900-seat, 58 Instructional Units (I.U.'s) elementary school and adapt and construct the new building.
- The following baseline criterion, in addition to the GA Department of Education requirements, shall be utilized in the prototypical elementary school design:
 - o 17 Pre-K, Kindergarten, and 1st Grade Classrooms at about 880 square feet
 - 27 2nd 5th Grade Classrooms at about 750 square feet
 - One (1) Media Center at about 3,250 square feet
 - One (1) Art Classroom at about 950 square feet
 - One (1) Music Classroom at about 950 square feet
 - One (1) Computer Labs at about 880 square feet
 - One (1) Science Lab at about 1,050 square feet
 - o Four (4) Shared Labs (i.e., Discovery, ESOL, etc.)
 - o Cafeteria is to be setup as a Cafetorium utilizing a total of 5,640 square feet
 - One (1) Gymnasium- Minimum of 4,700 square feet
 - o Four (4) Special Needs Classrooms at about 750 square feet
 - Mechanical Platform for Mechanical and Electrical Equipment (No mezzanines)
 - Kitchen shall be at least 3,000 square feet
 - Underground stormwater retention

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

No activity has taken place on this project for this reporting period.

Major Project Issues

 As previously reported, market conditions indicate that there may be an increase in the cost of construction, materials, and labor. Inflation could be a concern in 2017/2018 when construction is active.

Avondale ES (401-422)

Capital Renewal

Location: 10 Lakeshore Drive Avondale Estates, GA 30002

Project Manager Brian Albanese, URS Architect/Engineer TBD

Project Phase Pre-Design Contractor TBD

West elevation Southeast elevation

Project Scope of Work

The Architect/Engineer shall develop the construction documents and perform contract administration

- for the following scope of work at Avondale Elementary School:
- Install a 20-ton HVAC package in the gym
- Replace the main electrical switchboard
- Replace the exhaust systems throughout the buildings
- Replace the interior building domestic water piping in the 1953, 1967 and 1975 buildings
- Replace the exterior building sanitary sewer system
- Replace the exterior building domestic water supply system
- Replace grease trap and backflow preventer
- Provide ADA and Fire Life Safety upgrades as appropriate for the scope of work above

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

A recommendation was submitted to the Board of Education for the December 8, 2014 meeting.
 Notice to Proceed is anticipated for January 2015.

Change Order Summary

No change orders were executed during this period.

Project Schedule Update

No update at this time.

Major Project Issues

Avondale Stadium (204-422)

Survey

Location: 1192 Clarendon Road Avondale Estates, GA 30002

Project Manager Greg Smith, URS Architect/Engineer TBD

Project Phase Pre-Design Contractor TBD

West elevation South elevation

Project Scope of Work

Stadium survey and engineering assessment, scope verification, and delivery method consultation

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

The previous RFP issued on October 7, 2014 was cancelled and the RFP is being modified to be an engineering assessment only. The DCSD / URS team met with a Turf Vendor and was able to learn more about the industry and how turf installations are typically completed in the state of Georgia. URS is now drafting a Design-Build RFP to complete all of the stadium related components of scope: lighting, fencing, track re-surfacing, and turf.

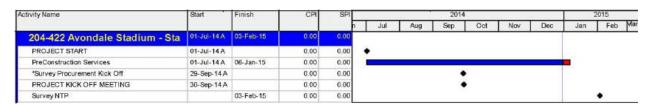

204-422			EXPENDI	TURES	
Activity	Current Budget (B)	Current Commitments	Forecast (F)	To Date	Budget Variance (B - F)
SUBTOTAL PRECONSTRUCTION SERVICES	\$11,847	\$0	\$36,847	\$0	-\$25,000
SUBTOTAL A/E SERVICES	\$0	\$0	\$0	\$0	\$0
SUBTOTAL GENERAL CONTRACTOR	\$0	\$0	\$0	\$0	\$0
SUBTOTAL CONSTRUCTION SERVICES	\$0	\$0	\$0	\$0	\$0

PROJECT TOTAL	\$11,847	\$0	\$36,847	\$0	-\$25,000

Change Order Summary

No change orders were executed during this period.

Project Schedule Update

No update at this time.

Major Project Issues

The project is behind schedule as a result of the extensive planning effort and because quotes received for the assessment RFP were over budget. Because the projects will be implemented as design-build URS is optimistic time will be made up during construction.

Bob Mathis ES (100-422)

Capital Renewal, ADA, and Code Requirements

Location: 3505 Boring Road Decatur, GA 30034

Project Manager Robert Mitchell, URS Architect/Engineer Sizemore Group

Project Phase Pre-Design Contractor TBD

Project Scope of Work

- Unisex adult restroom, hall restroom renovations, improved access to Diagnostic Center
- Install a 20-ton HVAC package in the gym
- Replace the roof top units
- Replace grease trap and backflow preventer
- Provide ADA and Fire Life Safety upgrades as appropriate for the scope of work above

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

The Notice to Proceed was issued to the contractor November 13, 2014. The Architect is currently working of the Preliminary Report for the project.

Location: 1855 Brockett Road Tucker, GA 30084

Project Manager Brian Albanese, URS Architect/Engineer Houser Walker Architecture

Project Phase Design Contractor TBD

Electrical service and distribution equipment is aged beyond service life

Project Scope of Work

- Replace grease trap and backflow preventer
- Replace light fixtures throughout the building
- Replace and upgrade electrical service
- Evaluate roofs/roof leaks for the 2008 roof replacements
- Replace emergency generator
- Replace/repair pedestrian paving
- Install/replace fire alarm system in buildings and the gym
- Replace the kitchen hood and associated equipment
- Replace the heat generating systems in buildings
- Replace exhaust fans throughout all buildings. Evaluate the exhaust system.
- Replace/upgrade the clock and PA systems in buildings
- Evaluate all terminal and package units throughout buildings and provide partial replacement of units based on priority
- Fire Life Safety as appropriate to perform above scope

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

 100% Construction Documents reviewed by DeKalb County and scheduled to be advertised for GC bid in February.

Major Project Issues

Canby Lane ES (102-422)

ADA: HVAC, Restroom, Kitchen Equipment, Roofing

Location: 4150 Green Hawk Trail Decatur, GA 30035

Project Manager Wayne Channer, URS Architect/Engineer Foreman Seeley Fountain Architecture

Project Phase Design Contractor TBD

Conversion to Handicap Bathroom

Kitchen equipment under review

Gym transformer to be upgraded

Project Scope of Work

- Renovate parking lots and hall restrooms for ADA compliance
- Replace grease trap and backflow preventer
- Replace the chiller, roof top units and fan coil units on the 1967 and 1969 buildings
- Replace the roof on the 1967 and 1969 buildings
- Add roof hatches and ladders to the 1967 and 1969 buildings
- Replace the roof top units on the 1994 building
- Install a 20-ton HVAC package in the gym
- Replace the kitchen equipment
- Fire Life Safety upgrades as appropriate to perform above scope

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- The Architect has been released to start the Schematic Design.
- A survey of the site has been requested by the Architect and quotes for this work are being requested.

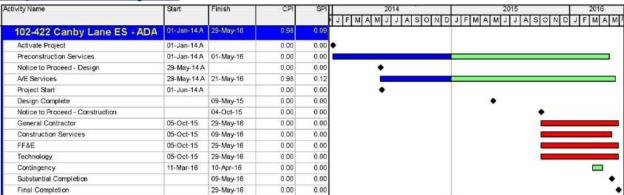

• This project is currently forecasted to complete within budget.

Cary Reynolds ES (103-422)

Capital Renewal

Location: 3498 Pine Street Doraville, GA 30340

Project Manager Don Little, URS Architect/Engineer The Epsten Group, Inc.

Project Phase Design Contractor TBD

Ice formed on malfunctioning unit in kitchen dry storage area

Proposed location for new 20-Ton HVAC to serve the gymnasium

Project Scope of Work

- Replace grease trap and backflow preventer
- Install a 20-ton HVAC package in the gym
- Upgrade the lighting system throughout the school
- Replace/upgrade the electrical service to support the current building loads
- Provide ADA and Fire Life Safety upgrades as appropriate for the scope of work above

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- The Scope Confirmation Meeting took place January 6, 2015.
- The Architect's cost estimate has identified that the cost of work is greater than the current projects stated cost limitation. Additional direction must be given to add funds or delete scope. The previously approved selected scope modifications did not put the project in budget. Additional funds will be required to complete the design and construction.

Major Project Issues

Chapel Hill ES (307-422)

HVAC and Capital Improvements Project

Location: 3536 Radcliffe Boulevard Decatur, GA 30034

Project Manager Gregory R Smith, URS Architect/Engineer Cooper Carry

Project Phase Design Contractor TBD

Inefficient single-pane existing windows

Existing glazed block with no wall base

Existing fluorescent fixtures

Project Scope of Work

The scope of work as revised after the Preliminary Investigation includes:

- Replacement of existing gas fired HVAC rooftop unit
- Installation of a 20-ton HVAC package for the gymnasium
- Insulate condensate piping
- Minor roof repairs
- Replace exterior windows
- Paint exterior concrete
- Install rubber wall base

- Room exhaust modification
- GFCI Receptacles
- Replace / Retrofit Lighting

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- Eleven contractors attended the Pre-Proposal Conference on November 11, 2014.
- Six proposals were received on December 16, 2014. Of these, five were responsive and one was non-responsive. A recommendation was submitted for the February 2, 2015 Board of Education meeting.
- URS has worked with DCSD Environmental to secure work with Kidd & Associates to perform the window demolition and the asbestos abatement when school is out for summer vacation.

Project Budget/Forecast Update

The project is currently forecasted to complete within budget.

Project Schedule Update

Major Project Issues

Columbia ES (308-422)

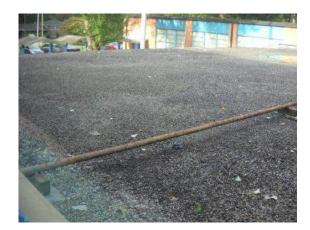

Capital Renewal: HVAC, Roofing

Location: 3230 Columbia Woods Drive Decatur, GA 30032

Project Manager Wayne Channer, URS Architect/Engineer Foreman Seeley Fountain

Project Phase Design Contractor TBD

Roofing issues to be resolved

Project Scope of Work

- Replace the roof on the 1961 and 1966 buildings and ancillary roofing elements
- Add roof hatches and ladders to the 1961 and 1966 buildings
- Install a 20-ton HVAC package in the gymnasium building.
- Fire Life Safety upgrades as appropriate to perform above scope

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- The preliminary estimate is over the stated cost of limitation and a meeting with DCSD has been requested to make a determination on scope adjustment.
- A change order is being processed by DCSD for the design of the gym air conditioning system.

Project Budget/Forecast Update

 The scope of work and related cost estimates are being reviewed. Because of the preliminary cost estimates scope and/or budget adjustments may be required.

Major Project Issues

Cross Keys HS (310-422)

Capital Renewal: Plumbing, Water Piping

Location: 1626 N. Druid Hills Rd, NE Atlanta, GA 30319

Project Manager Fritzgerald Joseph, URS Architect/Engineer McMillan Pazdan Smith Architecture

Project Phase Design Contractor TBD

Courtyard at Bldg. #100 has had numerous blockages

Water service vault with isolation gate valves between building #100 and #200

Project Scope of Work

- Analyze interior and exterior water and sewer systems and replace as appropriate
- Fire Life Safety upgrades as appropriate to perform above scope

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- As previously reported, the priority will be the roof replacement based on the Preliminary Report comments. The bathrooms will receive ADA upgrades only.
- The PM is working with the District and the A/E to evaluate the budget needs as they relate to the updated scope.
- The District has agreed to proceed with the scope of work and Design of the project.
- The video taping analysis report has confirmed that the sewer system piping is not damaged, but is in need of cleaning.
- The AE has been directed to proceed to proceed with the next phase of design.

URS Team

DCSD Consultants (904-422)

CIP Program Management Contract

Location: 1780 Montreal Road Tucker, GA 30084

Interim Program

Director

John Wright, URS

Project Phase Non-Construction, Year Two Contractor

Program Scope of Work

- URS, the Program Manager, is providing program management services to DCSD for a period of 75 months starting on September 7, 2012, on a year to year basis.
- URS' scope is to manage the carry-over projects from SPLOST III and to manage all projects identified in SPLOST IV, per the executed agreement between DeKalb County School Board and URS.
- URS Program Management responsibilities include the management and/or oversight of the following:
 - SPLOST IV DCSD 2013 2017 CIP
 - SPLOST III Completion of majority of remaining projects

This includes:

- Planning phase
- Design solicitation and award phase
- Design phase
- Swing space analysis and implementation
- Relocation of students and staff
- Construction solicitation and award phase

- Demolition of existing facility phase
- Project construction phase
- o Move-in of students and staff
- Project close-out phase
- o Project warranty phase
- o Coordination with DCSD's Technology Department and reporting of their projects
- o Coordination with DCSD's FF&E Department and reporting of their projects
- o Coordination with DCSD's Transportation Department and reporting of their projects

Program Status Update

See the General Program Progress section of the Executive Summary.

Major Program Issues

No major Program issues at this time.

DeKalb ES of the Arts at Terry Mill (408-422)

Capital Renewal-Code Requirements

Location: 797 Fayetteville Road Atlanta, GA 30002

Project Manager Brian Albanese, URS Architect/Engineer TBD

Project Phase Pre-Design Contractor TBD

East elevation

Electrical service entrance

Project Scope of Work

The Architect/Engineer shall develop the construction documents and perform contract administration for the following scope of work at DESA at Terry Mill:

- Install 20-ton HVAC package in the gym
- Install GFCI on all outlets by the lavatories
- Evaluate electrical service entrance and replace if necessary
- Replace grease trap and backflow preventer
- Provide ADA and Fire Life Safety upgrades as appropriate for the scope of work above

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

Nine proposals were received on October 23, 2014 for the Design. A recommendation was submitted to the December Board of Education meeting and an NTP is anticipated for January 2015.

Project Budget/Forecast Update

No change orders were executed during this period.

Project Schedule Update

Major Project Issues

Demolition Projects (905-422)

Project Manager Brian Albanese, URS Architect/Engineer N/A

Project Phase Construction Contractor Atlanta Demolition/ D'Babs Construction

Site of previous Gresham ES

Program Scope of Work

- This project number was set up to cover demolition of various projects in the DeKalb County School District. The six facilities listed below have been included in this project to date; more are anticipated to be added:
 - Former Chamblee Middle School
 - Tilson Elementary School
 - Hooper Alexander Elementary School
 - Gresham Park Elementary School
 - Sky Haven Elementary School
 - Former Truancy Center Facility
- The Design/Builder will prepare submittals for the following proposed demolition activities:
 - Demolition plan
 - Permits
 - Safety plan
 - Full approach to demolish schools
 - Utility plan
 - Schedule

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- Tilson ES Demolition is complete and awaiting grass stabilization for project completion. Closeout walkthrough occured in January. Project closeout in February.
- Former Chamblee MS Demolition is complete and awaiting grass stabilization for project completion. Closeout walkthrough occured in January. Project closeout in February.
- Hooper Alexander ES Demolition is complete and awaiting grass stabilization for project completion
 Closeout walkthrough occured in January. Project closeout in February.
- Gresham Park building demolition is complete and awaiting grass stabilization for project completion
 Closeout walkthrough occured in January. Project closeout in February.
- On September 25, 2014 two proposals were receved for each of the demolition projects at Sky Haven Elementary School and the Former Truancy Center Facility. In both cases, one was responsive and the other was non-responsive. The District is determining how to proceed.

Program Budget/Forecast

These projects are forecast to complete within budget.

905-422			EXPEND	ITURES	
Activity	Current Budget (B)	Current Commitments	Forecast (F)	To Date	Budget Variance (B - F)
SUBTOTAL PRECONSTRUCTION SERVICES	\$212,933	\$36,027	\$212,933	\$98,475	\$0

Change Order Summary

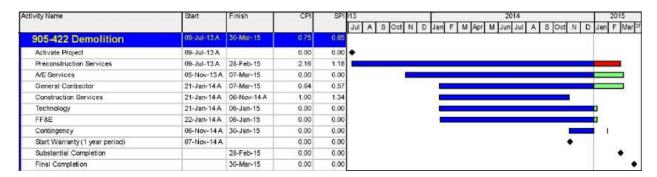

No change orders were executed during this period.

Program Schedule Update

This project is currently forecasted to complete on schedule.

Major Program Issues

Doraville Driver's Ed (311-422)

Capital Renewal: Roofing

Location: 3932 Flowers Road Atlanta, GA 30340

Project Manager Don Little, URS Architect/Engineer GSB Architects, Inc.

Project Phase Design Contractor TBD

Project Scope of Work

- Replace roof
- Add roof ladder and access hatch
- Fire Life Safety upgrades as appropriate to perform above scope

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- As previously reported, the 50% Construction documents have been issued and are currently being reviewed by the CIP Team.
- The esitmates for completing the associated scopes of work are still higher then the projects stated cost limits. DCSD will need to provide direction to the CIP Team for additional funding or scope reduction, prior to developing the Construction Documents. The previously approved selected scope modifications did not put the project in budget. Additional funds will be required to complete the design and construction.

Project Budget/Forecast Update

 The scope of work and related cost estimates are being reviewed. Scope and/or budget adjustments will be required.

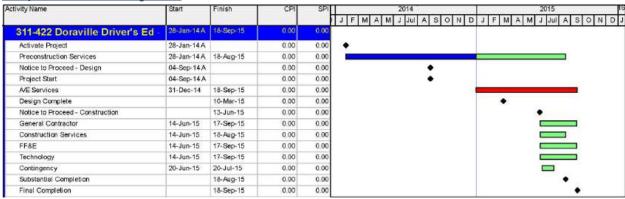

311-422			EXPENDI	TURES

Change Order Summary

No change orders were executed during this period.

Project Schedule Update

Major Project Issues

Dunwoody HS (338-422)

Hardware and Door Replacement

Location: 5035 Vermack Road Dunwoody, GA 30338

Project Manager H Wayne Channer, URS Architect/Engineer Perkins + Will

Project Phase Construction Contractor Diversified Construction of Georgia

Trimming trees

Corridor doors waiting on push bar openers

Project Scope of Work

Replace all remaining old doors and hardware.

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- The doors and hardware are being reviewed by the manufacturers representative in order to produce the certification required by the contract.
- The contractor has submitted a request for Substantial Completion and the Architect and CIP staff are in discussion about the project status.
- A change order for the requested items from the Fire Marshal Inspector has been set to DCSD. This
 change order has been returned to the architect due to the use of an illegible text when printed out
 by the contractor.

Project Budget/Forecast Update

This project is currently forecasted to complete within budget.

Major Project Issues

Eldridge Miller ES (108-422)

ADA: HVAC, Restroom, Water Piping

Location: 919 Martin Road Stone Mountain, GA 30088

Project Manager Robert Mitchell, URS Architect/Engineer McMillan Pazdan Smith

Project Phase Design Contractor TBD

Media Center air handling unit is not operational

Typical tile wall damage and non ADA compliant sink knobs

Project Scope of Work

- Update ADA compliance in the hall restroom
- Replace grease trap
- Review possibility to replace 38 existing water source heat pumps with systems typical of DCSD in the 1986 Building
- Fire Life Safety upgrades as appropriate to perform above scope

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

The District and the Project Manager are reviewing the Preliminary Report.

Major Project Issues

Emergency Generators (421-321-015E)

Bulk Purchase Program Emergency Generator Installation

Locations Chesnut Charter School - 4576 N. Peachtree Road, Dunwoody, GA 30338

McNair Middle School - 3303 Panthersville Road, Decatur, GA 30034

DeKalb High School of Technology - South - 2190 Wallingford Drive, Decatur, GA 30032

Project Manager H Wayne Channer, URS Architect/Engineer HESM&A

Project Phase Close Out Contractor Caldwell Electrical Contractors

Emergency Generator for Chesnut ES

Emergency Generator for DHST-S

Emergency Generator for McNair MS

Project Scope of Work

The scope of work includes the installation and/ or replacement of emergency generators at the above referenced three schools.

These generators are to pick up the emergency load for the fire alarm system, intercom system, security system, exit lights, MDF room HVAC unit, MDF room equipment, telephone system, kitchen milk cooler, walk in cooler/freezer units, sanitary sewer lift station, and emergency lighting.

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

 A meeting attended by DCSD personal and the Fire Marshal's inspectors has taken place with a direction chosen for the close out of this project.

DCSD personal are creating a "Memorandu of Understanding" for the Fire Marshal. After his
approval these sites will be signed off and close out of the project can take place.

Project Budget/Forecast Update

 As previously reported, the project is currently forecasted to complete within budget if the original scope of work stays intact.

Jolly ES - 1070 Otello Avenue, Clarkston, GA 30021

Project Manager H Wayne Channer, URS Architect/Engineer HESM&A

Project Phase Construction Contractor Caldwell Electrical Contractors

Generator to be replace and turned over to DCSD

ATS to be replaced at Freedom MS

Main switchgear for Freedom MS

Project Scope of Work

- The scope of work includes the installation and/ or replacement of emergency generators at the above referenced six schools.
- These generators are to pick up the emergency load for the fire alarm system, intercom system, security system, exit lights, MDF room HVAC unit, MDF room equipment, telephone system, kitchen milk cooler, walk in cooler/freezer units, sanitary sewer lift station, and emergency lighting.

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- The contractor has completed the contracted work at Browns Mill ES.
- A change order for Browns Mill ES has been requested by the contractor for the repair of existing emergency exit lights and broken light fixtures which are scheduled to become emergency exit lights.

- The Fire Marshal has failed the final inspection because issues with existing systems within the building. DCSD maintenance will be notified upon return from the Winter Break.
- The contractor commenced work at Freedom MS over the Winter Break.

Project Budget/Forecast Update

This project is currently forecasted to complete within budget.

Stoneview ES possible generator location

Stoneview ES possible ATS location

Canby Lane ES possible ATS location

Project Scope of Work

- The scope of work includes the installation and/ or replacement of emergency generators at the above referenced ten schools.
- These generators are to pick up the emergency load for the fire alarm system, intercom system, security system, exit lights, MDF room HVAC unit, MDF room equipment, telephone system, kitchen milk cooler, walk in cooler/freezer units, sanitary sewer lift station, and emergency lighting.

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- As previously reported, this work continues to be on hold while costs for the additional work and proper sequencing of inspections are worked out with 421-321-015E.
- The funding of this project is dependent on what funding is left from Emergency Generator Project 421-321-015E. If the additional requirements of the Fire Marshal Inspector are confirmed it will eliminate the funding for this project.
- A bid package for the required generators and ATS switches is being created. This is being put in place so that DCSD is in position to acquire the needed generators as soon as the above issues are resolved.

Project Budget/Forecast Update

 This project is currently forecasted to complete within budget if the original scope of work stays intact as outlined in the Project Status Update (Period ending December 31, 2014 & January 31, 2015).

Major Project Issues

Fernbank ES (503-422)

Location: 157 Heaton Park Drive, Atlanta, GA 30307

Project Manager Brian Albanese, URS Architect/Engineer Chapman Griffin Lanier Sussenbach

Architects (CGLS)

Project Phase Construction Contractor R.K. Redding

Construction underway

Construction underway

Project Scope of Work

- The scope of work for this project is to use the prototypical design for a 900-seat, 58 Instructional Units (I.U.'s) elementary school and adapt and construct the new building on Fernbank's original site.
- The following baseline criterion, in addition to the GaDOE requirements, shall be utilized in the prototypical elementary school design:
 - o 17 Pre-K, Kindergarten, and 1st Grade Classrooms at about 880 square feet
 - o 27 2nd 5th Grade Classrooms at about 750 square feet
 - One (1) Media Center at about 3,250 square feet
 - One (1) Art Classroom at about 950 square feet
 - One (1) Music Classroom at about 950 square feet
 - One (1) Computer Labs at about 880 square feet
 - One (1) Science Lab at about 1,050 square feet
 - Four (4) Shared Labs (i.e., Discovery, ESOL, etc.)
 - Cafeteria is to be setup as a Cafetorium utilizing a total of 5,640 square feet
 - One (1) Gymnasium- minimum of 4,700 square feet
 - Four (4) Special Needs classrooms at about 750 square feet

- Mechanical platform for mechanical and electrical equipment (no mezzanines)
- Kitchen shall be at least 3,000 square feet
- Underground stormwater retention (as a change in scope)

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- Major earthwork is complete.
- Foundation walls, footings ongoing at Adminstration/Gym portion of building
- Slab on grade pours for the classroom wing are 100% complete.
- Structural steel on classroom wing has started and 90% complete.

Project Budget/Forecast Update

- The project is currently forecasted to complete within budget.
- A reallocation has been submitted to increase the A/E budget to cover current commitments.

Period Ending December 31, 2014

Major Project Issues

Flat Rock ES (413-422)

ADA - Capital Renewal

Location: 4603 Evans Mill Road Lithonia, GA 30038

Project Manager Robert Mitchell, URS Architect/Engineer Gardner Spencer Smith Tench & Jarbeau

Project Phase Design Contractor TBD

Back entrance to kitchen area

Existing grease trap

Project Scope of Work

- Replace the grease trap and backflow preventer
- Replace the air distribution, exhaust air, and heat recovery system to eliminate odor
- Provide ADA and Fire Life Safety upgrades as appropriate for the scope of work above

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

 The District and the Project Manager are reviewing the Preliminary Report. Awaiting review and approval of scope from DCSD.

Major Project Issues

Freedom MS (312-422)

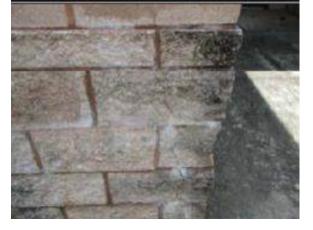

Capital Renewal: New Emergency Utility Shutoffs

Location: 505 South Hairston Road Stone Mountain, GA 30088

Project Manager Robert Mitchell, URS Architect/Engineer McMillan Pazdan Smith

Project Phase Design Contractor TBD

View of alligator cracking along the roof membrane and flashing at an access hatch on the low gymnasium roof area

Exterior veneer at the exterior corner of Room 615 formed vertical cracks

Project Scope of Work

- Relocate or install new emergency utility shutoffs at lab room exit doors for access
- Perform detailed wall and foundation study where cracks are appearing
- Perform detailed roof study
- Patch/repair/replace roadway asphalt
- Install additional site lighting
- Fire Life Safety upgrades as appropriate to perform above scope

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

The District and the Project Manager are reviewing the Preliminary Report.

Project Schedule Update

This project is currently forecasted to complete on schedule.

Major Project Issues

Gresham Park ES (504-422)

Location: 3132 Clifton Church Road SE Atlanta, GA 30316

Project Manager Brian Albanese, URS Architect/Engineer Chapman Griffin Lanier Sussenbach

Architects (CGLS)

Project Phase Design Contractor N/A

Site of previous Gresham ES

Project Scope of Work

- The scope of work for this project is to use the prototypical design for a 900-seat, 58 Instructional Units (I.U.'s) elementary school and adapt and construct the new building on the site currently occupied by Clifton Elementary School.
- The following baseline criterion, in addition to the GaDOE requirements, shall be utilized in the prototypical elementary school design:
 - o 17 Pre-K, Kindergarten, and 1st Grade Classrooms at about 880 square feet
 - o 27 2nd 5th Grade Classrooms at about 750 square feet
 - One (1) Media Center at about 3,250 square feet
 - One (1) Art Classroom at about 950 square feet
 - One (1) Music Classroom at about 950 square feet
 - One (1) Computer Labs at about 880 square feet
 - One (1) Science Lab at about 1,050 square feet
 - Four (4) Shared Labs (i.e., Discovery, ESOL, etc.)
 - Cafeteria is to be setup as a Cafetorium utilizing a total of 5,640 square feet
 - One (1) Gymnasium- Minimum of 4,700 square feet
 - Four (4) Special Needs Classrooms at about 750 square feet
 - Mechanical Platform for Mechanical and Electrical Equipment (No mezzanines)

- Kitchen shall be at least 3,000 square feet
- Underground stormwater retention.

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

GC bids were submitted in December and will be reviewed and awarded in February.

Project Budget/Forecast Update

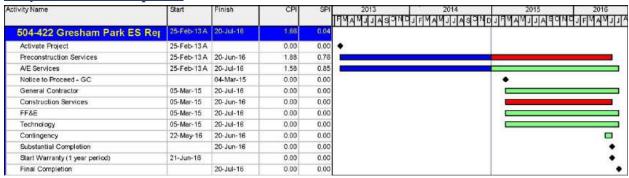

The project is currently forecasted to complete within budget.

504-422	504-422				
Activity	Current Budget (B)	Current Commitments	Forecast (F)	To Date	Budget Variance (B - F)

PROJECT TOTAL	\$20,221,279	\$488,040	\$22,008,198	\$265,908	-\$1,786,919

Change Order Summary

No change orders were executed during this period.

Project Schedule Update

Major Project Issues

Hallford Stadium (207-422)

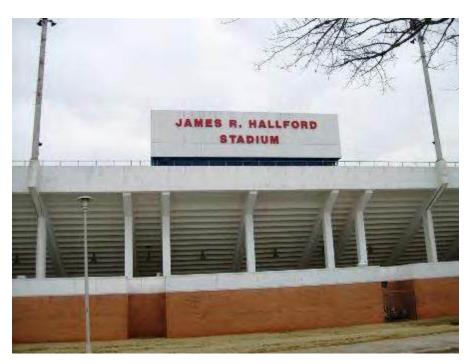

Survey

Location: 3789 Memorial College Avenue Clarkston, GA 30021

Project Manager Greg Smith, URS Architect/Engineer TBD

Project Phase Pre-Design Contracto TBD

r

Project Scope of Work

Stadium survey and engineering assessment, scope verification, and delivery method consultation.

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

The previous RFP issued on October 7, 2014 was cancelled and the RFP is being modified to be an engineering assessment only. The DCSD / URS team met with a Turf Vendor and was able to learn more about the industry and how turf installations are typically completed in the state of Georgia. URS is now drafting a Design-Build RFP to complete all of the stadium related components of scope: lighting, fencing, track re-surfacing, and turf.

Project Budget/Forecast Update

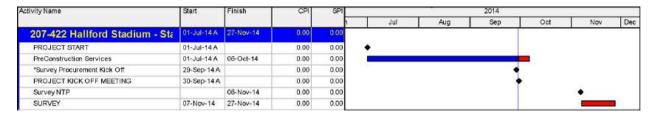

207-422			EXPENDI	TURES	
Activity	Current Budget (B)	Current Commitments	Forecast (F)	To Date	Budget Variance (B - F)
SUBTOTAL PRECONSTRUCTION SERVICES	\$5,177	\$0	\$5,177	\$0	\$0

SUBTOTAL TECHNOLOGY	\$0	\$0	\$0	\$0	\$0
SUBTOTAL CONTINGENCY	\$21,418	\$0	\$21,418	\$0	\$0
PROJECT TOTAL	\$544,979	\$0	\$544,979	\$0	\$0

Change Order Summary

No change orders were executed during this period.

Project Schedule Update

No update at this time.

Major Project Issues

The project is behind schedule as a result of the extensive planning effort and because quotes received for the assessment RFP were over budget. Because the projects will be implemented as design-build URS is optimistic time will be made up during construction.

Hambrick ES (421-136)

HVAC

Location: 1101 Hambrick Road Stone Mountain, GA 30083

Project Manager Fritzgerald Joseph, URS Architect/Engineer Sy Richards Architects

Project Phase Construction Contractor Construction Works, Inc. (CWI)

Main Corridor: New HVAC, Ceiling Grid Installed, and Lighting Replaced

Classroom: New HVAC, Ceiling Grid Installed, and Lighting Replaced

Project Scope of Work

The scope of work includes:

- HVAC
- Replacement of existing ceilings and lighting fixtures throughout the school
- Replacement of existing freezer and cooler
- New kitchen exhaust hood with a makeup air unit and air conditioning for the kitchen
- New direct digital controls (DDC) energy management controls
- Installation of a new 3,000-gallon grease trap
- Installation of reduced pressure zone (RPZ) devices on existing domestic and fire water supply lines
- New emergency generator
- New parking lot lighting coordinated with GA Power

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- Construction in Phase 5 is complete.
- The PM has requested that CWI submit a cost estimate for cleaning the existing ductwork for those not being replaced.

Project Budget and Forecast

421-136			EXPENDI	TURES	
Activity	Current Budget (B)	Current Commitments	Forecast (F)	To Date	Budget Variance (B - F)

PROJECT TOTAL	\$2,620,592	\$2,164,957	\$2,612,656	\$551,173	\$7,936

Change Order Summary

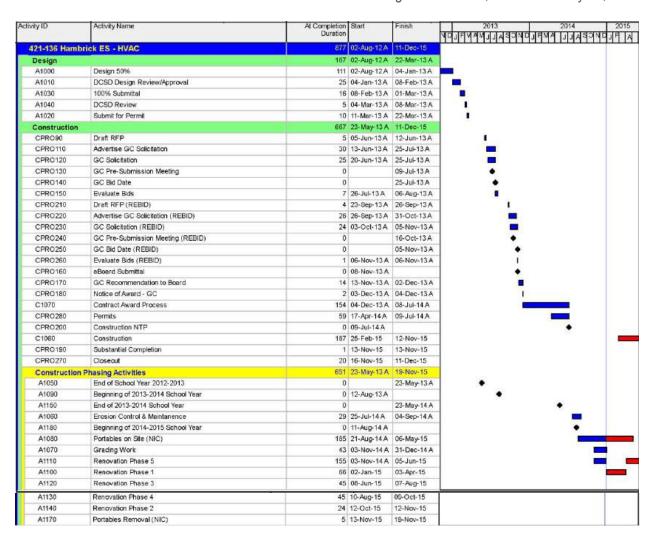

- Change Order Requests are being developed for trailer repairs and addressing security concerns.
- A Change Order Request is being developed to extend the schedule due to permitting delays.

Project Schedule Update

 This project is currently forecasted not to complete on schedule due to County permit delays, though this is anticipated to be adjusted via change order with no additional cost to the District.

Major Project Issues

Hambrick ES (111-422)

ADA: HVAC, Restroom, Water Piping, Lighting

Location: 1101 Hambrick Road Stone Mountain, GA 30083

Project Manager Fritzgerald Joseph, URS Architect/Engineer Cooper Carry

Project Phase Design Contractor TBD

Restrooms to receive accessibility upgrades

Improper drainage resulting in standing water

Project Scope of Work

- Parking, Unisex Adult and Hall Restroom renovations
- Standard Foundations (Engineering Study) (1971 and 1972 Buildings)
- Upgrading the Communications and Security-Security & CCTV. (1971 and 1972 Buildings)
- Updating Site Lighting (Site)
- Upgrading Communications and Security-Fire Alarm. (1971 and 1972 Buildings)
- Replacing the Pedestrian Paving near the Gym (Site)
- Fire Life Safety upgrades as appropriate to perform above scope

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- The final design set of construction drawings has been completed and submitted to DCSD for final review.
- GC procurement documents have been developed and are expected to be released in January 2015.

Change Order Summary

No change orders were executed during this period.

Project Schedule Update

Major Project Issues

Budget reallocations are pending to bring the project in alignment.

Hawthorne ES (414-422)

Code Requirements: HVAC, MEP, Water Piping

Location: 2535 Caladium Drive NE Atlanta, GA 30345

Project Manager Brian Albanese, URS Architect/Engineer Houser Walker Architecture

Project Phase Design Contractor TBD

Existing lighting fixtures

Existing grease trap

Project Scope of Work

- Replace grease trap
- Replace current lighting fixtures with 277 volt throughout the building
- Evaluate the need to replace the branch wiring system to support the current building loads
- Replace electrical service and distribution system to eliminate outages and breaker tripping
- Replace the exhaust systems throughout the building
- Replace/repair natural gas system
- Replace/repair roof openings
- Install roof access and ladder
- Replace exterior doors
- Replace/repair rain water roof drainage
- Replace kitchen hood
- Replace/repair pedestrian paving throughout site
- Site does not drain properly in all areas; review and make repairs
- Fire Life Safety upgrades as appropriate to perform above scope

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

 100% Construction Documents were submitted and reviewed in December. Drawings are under review by DeKalb County and scheduled to be advertised for GC bid in February.

Project Budget/Forecast Update

Project Schedule Update

Major Project Issues

Henderson MS (512-422, including 416-422)

Renovation/Addition and Code Compliance

Location: 2830 Henderson Mill Rd. Atlanta, GA 30341

Project Manager Brian Albanese, URS Architect/Engineer BRPH Architects-Engineers

Project Phase Design Contractor TBD

Henderson MS Trailer Village

Henderson MS Trailer Village

Project Scope of Work

- The project scope includes the full professional design and engineering services for renovations, additions, and code compliance to Henderson MS.
- This will provide for modifications and upgrades to the existing buildings and facilities that will include, but not be limited to:
- Estimated 26 Instructional Units (I.U.s)/ classroom addition
 - This addition will include standard classrooms, an expansion to the existing kitchen, an orchestra room, two special education classrooms, two girls/boys restrooms.
- Existing school renovation that may include:
 - Kitchen and program-driven modifications
 - Plumbing
 - Electrical
 - HVAC
 - o Replacement of the grease trap
 - Site modifications
 - Replacement of the parking lot and driveways

The design will also include updating the facility to meet current ADA accessibility and fire/life safety codes as appropriate.

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

 Locker room renovations were added to project scope by Board Action. Design and construction schedules are currently being revised to reflect these changes.

Project Budget/Forecast Update

 Budget reallocations are being processed. The Budget Variances that are negative (red) are due to change orders that are being processed to add scope.

Period Ending December 31	. 2014

Change Order Summary

No change orders were executed during this period.

Project Schedule Update

• CPI is red primarily because of change orders to the A/E.

Major Project Issues

Hightower ES (313-422)

Capital Renewal

Location: 4236 Tilly Mill Road Doraville, GA 30360

Project Manager Don Little, URS Architect/Engineer The Epsten Group, Inc.

Project Phase Design Contractor TBD

Vegetation growth over the surface of the roof system

Existing damaged water heater

Project Scope of Work

- Install a 20-ton HVAC package in the gym
- Evaluate and repair the 2008 roof replacement
- Install roof hatch and ladder as appropriate
- Replace the air distribution and exhaust systems
- Replace the cast iron water drainage system
- Provide ADA and Fire Life Safety upgrades as appropriate for the scope of work above

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

The Scope Confirmation Meeting took place January 6, 2015.

The Architect's cost estimate has identified that the cost of work is greater than the current projects stated cost limitation. Direction must be given to add funds or delete scope. The previously approved selected scope modifications did not put the project in budget. Additional funds will be required to complete the design and construction.

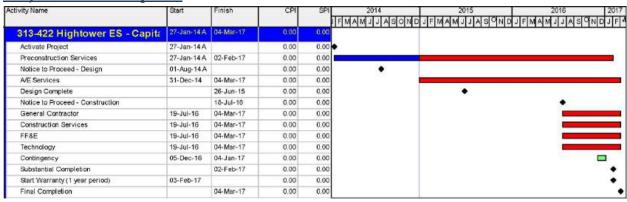

Project Budget/Forecast Update

Change Order Summary

No change orders were executed during this period.

Project Schedule Update

Major Project Issues

- The Architect's cost estimate has identified that the cost of work is greater than the current projects stated cost limitation. Direction must be given to add funds or delete scope.
- The Architect may not proceed with to schematic design until direction is given.
- Final direction could include processing a change order request that impacts cost and time.

Huntley Hills ES (112-422)

ADA - Capital Renewal

Location: 2112 Seaman Circle Chamblee, GA 30341

Project Manager Don Little, URS Architect/Engineer TBD

Project Phase Design Contractor TBD

Signs of roof leakage into a classroom area

Curb ramp does not comply with ADA

Project Scope of Work

- Provide ADA upgrades for hall bathroom and parking lot
- Replace grease trap and backflow preventer
- Install a 20-ton HVAC package in the gym
- Replace the roofs
- Install roof hatch and ladder as appropriate
- Replace the air cooled chiller, air distribution and exhaust systems
- Provide ADA and Fire Life Safety upgrades as appropriate for the scope of work above

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- The Scope Confirmation Meeting took place January 6, 2015.
- The Architect's cost estimate has identified that the cost of work is greater than the current projects stated cost limitation. Additional direction must be given to add funds or delete scope. The previously approved selected scope modifications did not put the project in budget. Additional funds will be required to complete the design and construction.

Major Project Issues

Idlewood ES (113-422)

ADA - Capital Renewal-Code Requirements

Location: 1484 Idlewood Road Tucker, GA 30084

Project Manager Brian Albanese, URS Architect/Engineer TBD

Project Phase Pre-Design Contractor TBD

Northeast elevation

Exterior doors

Project Scope of Work

The Architect/Engineer shall develop the construction documents and perform contract administration for the following scope of work at Idlewood Elementary School:

- Install a 20-ton HVAC package in the gym
- Hall restroom renovations
- Upgrade the air conditioning for the computer MDF room
- Replace the electrical service entrance
- Replace the exhaust systems throughout the buildings
- Replace the roof on the 1967 and 1968 buildings
- Replace the lighting system throughout the buildings
- Replace the terminal and fan coil units
- Replace grease trap
- Provide ADA and Fire Life Safety upgrades as appropriate for the scope of work above

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

 A recommendation was submitted to the December 8, 2014 Board of Education meeting and an NTP is anticipated for January 2015.

Project Budget/Forecast Update

No update at this time.

Major Project Issues

Indian Creek ES (421-139)

Kitchen & HVAC

Location: 724 North Indian Creek Drive Clarkston, GA 30021

Project Manager Fritzgerald Joseph, URS Architect/Engineer Epsten Group

Project Phase Construction Contractor Construction Works, Inc. (CWI)

Above Ceiling Work: New light fixtures to be installed

Roof top unit to be replaced

Project Scope of Work

The scope of work includes:

- Replacement of existing ceilings and lighting fixtures throughout the school
- Replacement of existing HVAC, freezer, and cooler
- Providing a new kitchen exhaust hood with a makeup air unit and air conditioning for the kitchen
- Providing new direct digital controls (DDC) energy management controls
- Installation of a new 3,000-gallon grease trap
- Installation of reduced pressure zone (RPZ) devices on existing domestic and fire water supply lines
- Providing a new emergency generator
- Providing new parking lot lighting
- Replacing wood shelves in the dry storage rooms with metal shelves
- The project also includes providing classrooms/mobile units for the students while construction work is performed at the school.

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

The final phases of construction are underway.

Project Budget/Forecast Update

 A reallocation within the project budget has been submitted to increase the A/E budget to cover current commitments. Once processed, this will remove the negative budget variance.

421-139			EXPENDI	TURES

Change Order Summary

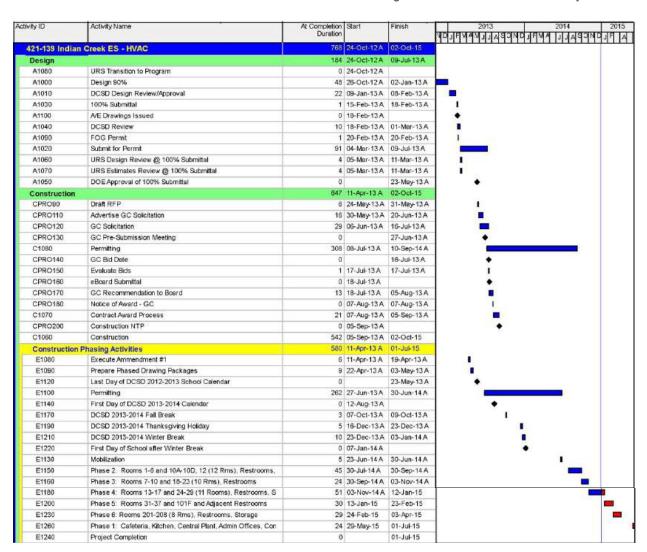

No change orders were executed during this period.

Project Schedule Update

• The permitting review time at DeKalb County for this project took over eight months to get reviewed and approved; therefore, the original schedule cannot be met.

Major Project Issues

Indian Creek ES (114-422)

Code Requirements: Roofing renovation, direct digital controls upgrade communication and security.

Location: 724 North Indian Creek Drive Clarkston, GA 30021

Project Manager Fritzgerald Joseph, URS Architect/Engineer Cooper Carry

Project Phase Design Contractor TBD

Restroom to be renovated and updated

Vegetation overgrowth damaging the roof

Project Scope of Work

- Hall restroom renovations
- Replace the roofs on the 1990 and 1994 buildings
- Communications and Security-Security & CCTV systems. (1994 Building)
- Upgrading the Controls and Instrumentation. (1961 and 1965 Building)
- Fire Life Safety upgrades as appropriate to perform above scope

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- Budget reallocations are pending to adjust for funding needs related to the scope.
- The district has given direction on how to proceed with Budget and scope for this project. Additional funds will be needed to replace the roof for the entire campus.

Major Project Issues

Budget reallocations are pending to bring the project in alignment.

International Student Center (314-422)

Capital Renewal: Roofing

Location: 2383 N Druid Hills Road NE Atlanta, GA 30329

Project Manager Don Little, URS Architect/Engineer GSB Architects, Inc.

Project Phase Design Contractor TBD

Trees contacting building elements, particularly gutters and roof

Area showing debris from trees and build-up on roof

Project Scope of Work

- Replace the roofs
- Clean and repair the roof rain water drainage system to eliminate ponding and standing water
- Replace the roof openings
- Fire Life Safety upgrades as appropriate to perform above scope

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- As previously reported, the 50% Construction documents have been issued and are currently being reviewed by the CIP Team.
- The estimates for completing the associated scopes of work are still higher then the projects stated cost limits. DCSD has provided direction to the CIP Team for additional funding or scope reduction, prior to developing the Construction Documents.
- The selected scope modifications (deleting the roof scope) will put the project in budget. The Architect will be issued direction to complete the design and construction based on the new scope requirement.

Project Budget/Forecast Update

 The scope of work and related cost estimates are being reviewed. Scope and/or budget adjustments will be required.

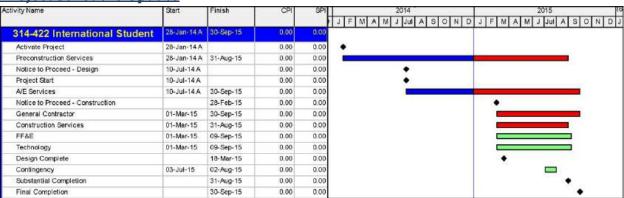

The Design Team has requested a contract amendment to provide designs and contract administration services greater than the RFP's stated contract cost.

Major Project Issues

Kelley Lake ES (116-422)

ADA: HVAC, Restroom, Kitchen Equipment, Cooling Tower

Location: 2590 Kelley Lake Road Decatur, GA 30032

Project Manager Wayne Channer, URS Architect/Engineer Foreman Seeley Fountain Architecture

Project Phase Design Contractor TBD

Backflow to be raised above ground

Minor bathroom door re-location

Possible grease trap re-location

Project Scope of Work

- Renovate hall restrooms for ADA compliance
- Replace grease trap and backflow preventer
- Replace the water source heat pumps in the 1963, 1965, and 1969 buildings
- Replace the roof on the 1963, 1965 and 1969 buildings
- Add roof hatches and ladders to the 1963, 1965 and 1969 buildings
- Replacing the kitchen hood and other designated kitchen equipment in the 1963, 1965, and 1969 buildings
- Replace the exhaust systems throughout the 1963, 1965 and 1969 buildings
- Replace the cooling tower
- Fire Life Safety upgrades as appropriate to perform above scope

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

• The preliminary estimate is over the stated cost of limitation and a meeting with DCSD has been requested to make a determination on scope adjustment.

Project Budget/Forecast Update

 The scope of work and related cost estimates are being reviewed. Because of the preliminary cost estimates scope and/or budget adjustments may be required.

Ponding/Drainage/Erosion Issues at Playground

Staff Restroom to receive accessibility upgrades

Project Scope of Work

- Provide ADA upgrades for hall bathroom and parking lot
- Replace the air distribution and exhaust systems throughout the 1971 and 1972 buildings
- Replace the original wiring systems throughout the throughout the 1971 and 1972 buildings
- Replace the roofs on the 1971 and 1972 buildings
- Install roof hatches and ladders as appropriate
- Replace the main electrical switchboard
- Install a 20-ton HVAC package in the gym
- Provide ADA and Fire Life Safety upgrades as appropriate for the scope of work above

<u>Project Status Update (Period ending December 31, 2014 & January 31, 2015)</u>

Roofing Replacement:

• The Notice to Proceed was issued to Klein Contracting on January 28 concurrent with the Project Kickoff Meeting. Work is anticiparted to start next month with completion this summer.

Campus Upgrades

- The Scope Confirmation Meeting took place January 6, 2015.
- The Architect's cost estimate has identified that the cost of work is greater than the current projects stated cost limitation. The District proved direction to delete scope. The selected scope

modifications will put the project in budget. The Architect will be issued direction to complete the design and construction based on the new scope requirement.

Project Budget/Forecast Update

Roofing Replacement

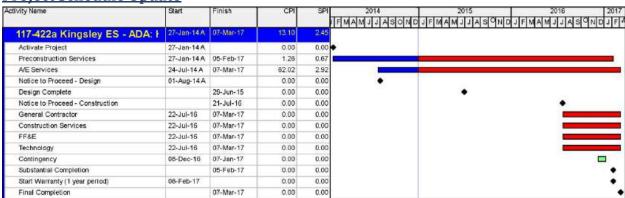

Scope adjustments have been made to cover the Roof Replacement Cost.

117-422			EXPENDI	TURES	
Activity	Current Budget (B)	Current Commitments	Forecast (F)	To Date	Budget Variance (B - F)

Roofing Replacement

Kittredge ES (417-422)

Code Requirements: HVAC

Location: 1663 E Nancy Creek Drive NE Atlanta, GA 30319

Project Manager Don Little, URS Architect/Engineer GSB Architects, Inc.

Project Phase Design Contractor TBD

Project Scope of Work

- Replace grease trap and backflow preventer
- Fire Life Safety upgrades as appropriate to perform above scope

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- As previously reported, the 50% Construction documents have been issued and are currently being reviewed by the CIP Team.
- The esitmates for completing the associated scopes of work are still higher then the projects stated cost limits. DCSD will need to provide direction to the CIP Team for additional funding or scope reduction, prior to developing the Construction Documents.

Project Budget/Forecast Update

 The scope of work and related cost estimates are being reviewed. Scope and/or budget adjustments will be required.

Major Project Issues

Martin Luther King, Jr. HS (316-422)

Capital Renewal: HVAC and Roofing

Location: 3991 Snapfinger Road Lithonia, GA 30038

Project Manager Don Little, URS Architect/Engineer Perkins & Will

Project Phase Pre-Design Contractor TBD

Roof to be repaired

Roof to be repaired

Project Scope of Work

- The scope is being developed. Elements are likely to include:
 - Replace duct system exhaust fans
 - Replace Roof top units over gym
 - Repair the horizontal roof expansion joints
 - Repair exterior wall vertical expansion joints

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

The Architect, Perkins & Will, has issued pricing for conducting exploratory engineering to identify the reason for water penetration. After completion of this phase, design and construction documents will be developed for bid.

Project Budget/Forecast Update

 Based on current roof pricings, the majority of the allocated funding will be used for roof replacement.

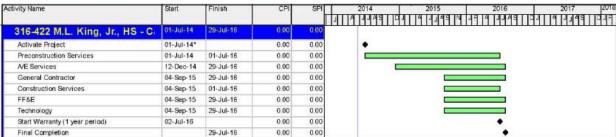

316-422	EXPENDI	TURES

Project Schedule Update

Major Project Issues

Montclair ES (421-422)

Capital Renewal - Code Requirements

Location: 1680 Clairmont Place NE Atlanta, GA 30329

Project Manager Don Little, URS Architect/Engineer The Epsten Group, Inc.

Project Phase Design Contractor TBD

Typical HVAC unit serving classroom to be upgraded

Cooling tower leak to be repaired

Project Scope of Work

- Replace the grease trap and backflow preventer
- Install a 20-ton HVAC package in the gym
- Replace the interior domestic water piping throughout the building, as appropriate
- Replace the electrical service and distribution system
- Provide ADA and Fire Life Safety upgrades as appropriate for the scope of work above

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- The Scope Confirmation Meeting took place January 6, 2015.
- The Architect's cost estimate has identified that the cost of work is greater than the current projects stated cost limitation. Direction has been given to delete scope. The selected scope modifications will put the project in budget. The Architect will be issued direction to complete the design and construction based on the new scope requirement.

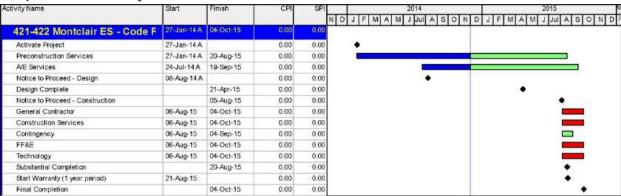

421-422			EXPENDI	TURES

Change Order Summary

No change orders were executed during this period.

Project Schedule Update

Major Project Issues

- The Architect's cost estimate has identified that the cost of work is greater than the current projects stated cost limitation. Direction must be given to add funds or delete scope.
- The Architect may not proceed with to schematic design until direction is given.
- Final direction could include processing a change order request that impacts cost and time.

Montgomery ES (123-422)

ADA: HVAC, Roofing, Restroom

Location: 3995 Ashford-Dunwoody Rd Atlanta, GA 30319

Project Manager Fritzgerald Joseph, URS Architect/Engineer McMillan Pazdan Smith

Project Phase Design Contractor TBD

View of ponding water at the northwest roof area

Typical example of CMU walls, high grab bars, and corroded plumbing access panel

Project Scope of Work

- Replacement of roof and ancillary roofing elements, including ladder and roof hatch (1963, 1965, 1966, and 1968 buildings)
- Hall restroom renovations
- Fire Life Safety upgrades as appropriate to perform above scope

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

Additional funding is required to adequately address the roof replacement.

Project Budget/Forecast Update

 A reallocation within the project budget has been submitted to increase the A/E budget to cover current commitments. Once processed, this will remove the negative budget variance.

Period Ending December 31, 2014

North DeKalb Stadium (209-422)

Survey

Location: 4680 Chamblee Dunwoody Road Avondale Estates, GA 30002

Project Manager Greg Smith, URS Architect/Engineer TBD

Project Phase Pre-Design Contractor TBD

West elevation South elevation

Project Scope of Work

Stadium survey and engineering assessment, scope verification, and delivery method consultation

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

The previous RFP issued on October 7, 2014 was cancelled and the RFP is being modified to be an engineering assessment only. The DCSD / URS team met with a Turf Vendor and was able to learn more about the industry and how turf installations are typically completed in the state of Georgia. URS is now drafting a Design-Build RFP to complete all of the stadium related components of scope: lighting, fencing, track re-surfacing, and turf.

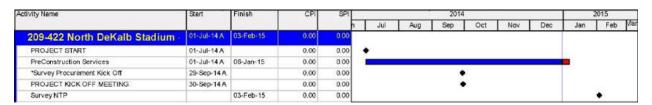

209-422			EXPENDI	TURES	
Activity	Current Budget (B)	Current Commitments	Forecast (F)	To Date	Budget Variance (B - F)
SUBTOTAL PRECONSTRUCTION SERVICES	\$11,847	\$0	\$36,847	\$0	-\$25,000
SUBTOTAL A/E SERVICES	\$0	\$0	\$0	\$0	\$0
SUBTOTAL GENERAL CONTRACTOR	\$0	\$0	\$0	\$0	\$0

SUBTOTAL FF&E	\$0	\$0	\$0	\$0	\$0
SUBTOTAL TECHNOLOGY	\$0	\$0	\$0	\$0	\$0
SUBTOTAL CONTINGENCY	\$0	\$0	\$0	\$0	\$0
PROJECT TOTAL	\$11,847	\$0	\$36,847	\$0	-\$25,000

Change Order Summary

No change orders were executed during this period.

Project Schedule Update

No update at this time.

Major Project Issues

The project is behind schedule as a result of the extensive planning effort and because quotes received for the assessment RFP were over budget. Because the projects will be implemented as design-build URS is optimistic time will be made up during construction.

Oak Grove ES (422-422)

Capital Renewal

Location: 1857 Oak Grove Road NE Atlanta, GA 30345

Project Manager Brian Albanese, URS Architect/Engineer SRJ Architects, Inc.

Project Phase Design Contractor TBD

Location for new gymnasium ground-mounted cooling unit

Clogged roof drain retaining water

Project Scope of Work

- Replace the grease trap and the backflow preventer
- Install a 20-ton HVAC package in the gym
- Replace the roofs on 1958 and 1963 buildings
- Replace the roof openings
- Install a roof hatch and ladder in 1958 and 1963 buildings as appropriate
- Review and replace the kitchen equipment, if appropriate
- Replace the interior domestic water piping throughout 1958 and 1963 buildings, if appropriate
- Replace the electrical service and distribution system
- Provide ADA and Fire Life Safety upgrades as appropriate for the scope of work above

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- The preliminary report has noted that the scope of the project doesn't address the facility's needs.
 DCSD has reviewed scope
- The A/E is working on schematic drawings per DCSD's direction to remove water piping work, roofing work, and electrical service work due to budget considerations

Project Schedule Update

Major Project Issues

Scope needs to be confirmed before design starts.

Panola Way ES (125-422)

Capital Renewal, ADA, and Code Requirements

Location: 2170 Panola Way Court Lithonia, GA 30058

Project Manager Robert Mitchell, URS Architect/Engineer Sizemore Group

Project Phase Pre-Design Contractor TBD

Project Scope of Work

- Hall Restroom renovations
- Install a 20-ton HVAC package in the gym
- Replace the cooling tower, pumps, piping and valves
- Replace the roof
- Replace the lighting system in the classrooms and restrooms
- Replace the roof top units, fan coil units and Water source heat pumps
- Replace grease trap
- Provide ADA and Fire Life Safety upgrades as appropriate for the scope of work above

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

The Notice to Proceed was issued to the contractor November 13, 2014. The Architect is currently working of the Preliminary Report for the project.

Panthersville Stadium (212-422)

Survey

Location: 2817 Clifton Springs Road Decatur, GA 30034

Project Manager Greg Smith, URS Architect/Engineer TBD

Project Phase Pre-Design Contractor TBD

View inside concourse

West elevation

Project Scope of Work

Stadium survey and engineering assessment, scope verification, and delivery method consultation

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

The previous RFP issued on October 7, 2014 was cancelled and the RFP is being modified to be an engineering assessment only. The DCSD / URS team met with a Turf Vendor and was able to learn more about the industry and how turf installations are typically completed in the state of Georgia. URS is now drafting a Design-Build RFP to complete all of the stadium related components of scope: lighting, fencing, track re-surfacing, and turf.

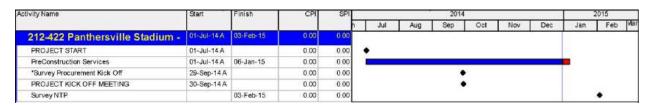

212-422	EXPENDI	TURES			
Activity	Current Budget (B)	Current Commitments	Forecast (F)	To Date	Budget Variance (B - F)

Change Order Summary

No change orders were executed during this period.

Project Schedule Update

No update at this time.

Major Project Issues

The project is behind schedule as a result of the extensive planning effort and because quotes received for the assessment RFP were over budget. Because the projects will be implemented as design-build URS is optimistic time will be made up during construction.

Peachcrest ES (506-422)

Location: 1530 Joy Lane Decatur, GA 30032

Project Manager Don Little, URS Architect/Engineer Chapman Griffin Lanier Sussenbach

Architects (CGLS)

Project Phase Construction Contractor Nix-Fowler Constructors, Inc.

Multi-story steel frame

Slab on grade pour preparation

Project Scope of Work

- The scope of work for this project is to use the prototypical design for a 900-seat, 58 Instructional Units (I.U.'s) elementary school and adapt and construct the new building on Fernbank's original site.
- The following baseline criterion, in addition to the Georgia Department of Education requirements, shall be utilized in the prototypical elementary school design:
- 17 Pre-K, Kindergarten, and 1st Grade Classrooms at about 880 square feet
- 27 2nd 5th Grade Classrooms at about 750 square feet
- One (1) Media Center at about 3,250 square feet
- One (1) Art Classroom at about 950 square feet
- One (1) Music Classroom at about 950 square feet
- One (1) Computer Labs at about 880 square feet
- One (1) Science Lab at about 1,050 square feet
- Four (4) Shared Labs (i.e., Discovery, ESOL, etc.)
- Cafeteria is to be setup as a Cafetorium utilizing a total of 5,640 square feet
- One (1) Gymnasium- Minimum of 4,700 square feet
- Four (4) Special Needs Classrooms at about 750 square feet
- Mechanical Platform for Mechanical and Electrical Equipment (No mezzanines)
- Kitchen shall be at least 3,000 square feet
- Underground stormwater retention

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- Two cranes and two steel erection crews are on site to support structural steel erection on the upper and lower buildings.
- The installation of metal roof deck for the three-story classroom wing is now complete.
- Spray-on fireproofing of the structural steel members continues.
- Masonry wall and hollow metal door frame installation continues.
- HVAC duct installation on the three story classroom wing continues.
- The installation of the interior mechanical, electrical, and plumbing continues to support the masonry wall erection.

Project Budget/Forecast Update

The budget is being adjusted through reallocations.

Change Order Summary

No change orders were executed during this period.

Project Schedule Update

This project is on schedule.

Major Project Issues

As previously reported, current market conditions indicate that there may be an increase in the cost of construction, materials, and labor. Inflation could be a concern in 2017/2018 when construction is active.

Radio Communications (630-422)

Project Manager John Wright, URS DCSD Project Manager Alex Riley, DCSD

Project Phase Non-Construction Contractor EDULOG, Inc.

EVIR Unit

Old 1980's Service Vehicle Photo

Project Scope of Work

- The scope of work is to purchase and install a new state of the art radio communications system on the District's busses and service vehicles.
- We have determined that the Edulog system best fits our purposes and our budget.
- The project includes: vehicle hardware, software, licenses, permits, programming documentation, training materials, implementation and installation personnel, technical knowledge, project management services, and other hardware and services necessary to implement a GPS/AVL system.

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

 The trial period for the use of both the EVIR and paper timesheets will continue through January 2015.

Project Budget/Forecast Update

This project is currently forecasted to complete within budget.

630-422			EXPEND	ITURES	
Activity	Current Budget (B)	Current Commitments	Forecast (F)	To Date	Budget Variance (B - F)

Architect/Enginee

r

Project Phase Construction Contractor Cooper and Company

Rendering of Southeast Corner

Site work underway

Project Scope of Work

- The scope of work includes full professional design and engineering services and construction for the renovation of and addition to Redan HS.
- This will provide for modifications and upgrades to the existing buildings and facilities that will include, but not be limited to:
 - Estimated 24 I.U./classroom addition, which will include:
 - An expansion to the existing kitchen, cafeteria, and media center
 - An orchestra room, a chorus room, two special education classrooms, two girls/boys restrooms, five science labs, five language arts, five social studies class rooms, and five math classrooms.
 - Replacement of all doors and hardware in the existing buildings
 - Replacement of the lockers in the boys' and girls' locker rooms
 - Site modifications
 - Replacement of the parking lot and driveways
 - Updating the facility to meet current ADA accessibility and fire/life safety codes as required.

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

Permits were issued by DeKalb County and construction started in early November 2014.

Project Budget/Forecast Update

This project is currently forecasted to complete within budget.

Gym to receive new HVAC

Project Scope of Work

- Install a 20-ton HVAC package in the gym
- Replace the electrical service entrance
- Replace the interior building domestic water piping in the 1955 and 1969 building
- Replace the exhaust systems throughout the building
- Replace the roof on the 1955 and 1969 buildings
- Evaluate HVAC system and make recommendation for replacement as needed
- Provide ADA and Fire Life Safety upgrades as appropriate for the scope of work above

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

 Nine proposals were received on October 23, 2014 for the Subregion 2C Design RFP consisting of five projects. A recommendation was submitted to the December Board of Education meeting and an NTP is anticipated for January 2015.

No change orders were executed during this period.

Project Schedule Update

No update at this time.

Major Project Issues

Rockbridge ES (508-422)

Replacement School

Location: 445 Halwick Way Stone Mountain, GA 30083

Project Manager Brian Albanese, URS Architect/Engineer TBD

Project Phase Pre-Design Contractor TBD

Project Scope of Work

- The scope of work for this project is to use the prototypical design for a 900-seat, 58 Instructional Units (I.U.'s) elementary school and adapt and construct the new building.
- The following baseline criterion, in addition to the Ga Department of Education requirements, shall be utilized in the prototypical elementary school design:
 - o 17 Pre-K, Kindergarten, and 1st Grade Classrooms at about 880 square feet
 - o 27 2nd 5th Grade Classrooms at about 750 square feet
 - One (1) Media Center at about 3,250 square feet
 - One (1) Art Classroom at about 950 square feet
 - One (1) Music Classroom at about 950 square feet
 - One (1) Computer Labs at about 880 square feet
 - One (1) Science Lab at about 1,050 square feet
 - Four (4) Shared Labs (i.e., Discovery, ESOL, etc.)
 - Cafeteria is to be set up as a Cafetorium utilizing a total of 5,640 square feet
 - One (1) Gymnasium- Minimum of 4,700 square feet
 - o Four (4) Special Needs Classrooms at about 750 square feet
 - Mechanical Platform for mechanical and electrical equipment
 - Kitchen shall be at least 3,000 square feet
 - Underground stormwater retention

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

No activity was scheduled to take place on this project during this reporting period.

508-422			EXPENDI	TURES	
Activity	Current Budget (B)	Current Commitments	Forecast (F)	To Date	Budget Variance (B - F)

Change Order Summary

No change orders were executed during this period.

Project Schedule Update

This project is on schedule.

Major Project Issues

 As previously reported, current market conditions indicate that there may be an increase in the cost of construction, materials, and labor. Inflation could be a concern in 2017-2018 when construction is active.

Rock Chapel ES (323-422)

Capital Renewal: HVAC, Roofing, Water Piping, Electrical

Location: 1130 Rock Chapel Road Lithonia, GA 30058

Project Manager Robert Mitchell, URS Architect/Engineer McMillian Pazdan Smith, LLC

Project Phase Design Contractor TBD

Roof shows signs of ponding water

Project Scope of Work

- Replace the roof on the 1983 addition, 1969, & 1975 buildings
- Replace (or recommend other alternative) the asphalt roof shingles on the 1969 & 1975 buildings
- Replace the emergency generator
- Replace the roof openings
- Add ladders and roof hatches on all buildings
- Paint interior walls and door frames
- Replace carpet throughout all buildings, as needed
- Replace all interior doors and hardware
- Fire Life Safety upgrades as appropriate to perform above scope

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

The District and the Project Manager are reviewing the Preliminary Report.

Major Project Issues

Sequoyah MS (129-422)

ADA/Restroom

Location: 3456 Aztec Road Doraville, GA 30340

Project Manager Don Little, URS Architect/Engineer GSB Architects, Inc.

Project Phase Design Contractor TBD

Sequoyah MS, Main Entrance Lacking ADA Access

Project Scope of Work

- ADA access from the parking lot to the front of the school building
- Installation of a 3,000-gallon grease trap
- Installation of a back flow preventer

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- As previously reported, the 50% Construction documents have been issued and are currently being reviewed by the CIP Team.
- The esitmates for completing the associated scopes of work are still higher then the projects stated cost limits. DCSD will need to provide direction to the CIP Team for additional funding or scope reduction, prior to developing the Construction Documents.

Project Budget/Forecast Update

- The scope of work and related cost estimates are being reviewed. Scope and/or budget adjustments will be required.
- The Design Team has requested a contract amendment to provide designs and contract administration services greater than the RFP's stated contract cost.

Project Schedule Update

Major Project Issues

 As previously reported, current market conditions indicate that there may be an increase in the cost of construction, materials, and labor. Inflation could be a concern in 2017/2018 when construction is active.

Southwest DeKalb HS (002-422 and 328-422)

Addition, Renovations, and Roofing

Location: 2863 Kelley Chapel Rd Decatur, GA 30034

Project Manager Robert Mitchell, URS Architect/Engineer CDH Partners

Project Phase Construction Contractor HJ Russell & Company

New Addition Auditorium

New Addition Lobby Area

Project Scope of Work

- The scope of work for the project is scheduled to be completed in three phases.
 - Phase 1 Construction of a new 83,816 SF amphitheater and classrooms building (general classrooms, special education classrooms, band room, art room, and several science & business labs/ classrooms), along with relocating the emergency generator.
 - Phase 2 Replacement of the fire alarm in the main building and testing of brick veneer walls for the existing school building. (Additional Phase 2 work, replacement of the roof, is being performed separately under Project # 328-422. See page C-228.)
 - Phase 3 Renovation and/or expansion of the media center, home living lab, and ROTC.
 Also included are remediation to existing brick exterior walls and parking lot reconfiguration (rear parking lot near the new addition). The main building roofing work is included in this scope.

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- Final construction activities underway:
 - Punchlist review for completion
 - ROTC Building Renovation

The project is currently forecasted to complete within budget.

Period Ending December 31, 2014

SPLOST Audit (901-422)

Project Manager John Jambro, DCSD Architect/Engineer N/A

Project Phase Non-Construction Contractor Cherry Bekaert, LLP

Project Scope of Work

Georgia Code Section 20-2-491 requires public school systems to obtain continuing performance audits for expenditure of sales tax for capital outlays if the tax generates \$5 million or more annually.

The independent performance audit shall:

- Include a goal of ensuring that the tax funds are expended efficiently and economically to ensure that the school district receives maximum benefit from the dollars collected.
- Provide for issuance of periodic reports, not less than once annually, with respect to the extent to which tax funds are expended efficiently and economically as described in the bullet above.
- Provide for issuance of periodic public recommendations, not less than annually, for improvements in meeting the goal specified in the first bullet above.

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

 As previously reported, an audit took place over the summer months, with results anticipated to be available in the fourth guarter of 2014.

Major Project Issues

Stone Mountain ES (421-135)

HVAC & ADA

Location: 6720 James B. Rivers Drive Stone Mountain, GA 30083

Project Manager Fritzgerald Joseph, URS Architect/Engineer Sy Richards Architects

Project Phase Construction Contractor Construction Works, Inc.

Corridor: new HVAC, ceilings and lighting fixtures renovation

Corridor: new HVAC, ceilings and lighting fixtures renovation

Classroom: new HVAC, ceilings and lighting fixtures renovation

Project Scope of Work

The scope of work includes:

- Replacement of existing ceilings and lighting fixtures throughout the school
- Replacement of existing freezer and cooler
- New kitchen exhaust hood with a makeup air unit and air conditioning for the kitchen
- New direct digital controls (DDC) energy management controls

- Installation of a new 3,000-gallon grease trap
- Installation of reduced pressure zone (RPZ) devices on existing domestic and fire water supply lines
- New emergency generator
- New parking lot lighting (coordinated with GA Power)

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- Demolition and installation of lights in the Phase 2 classrooms, rough-in of the electrical panels in the data hub room, lowering of the light switches in Phase 2 classrooms, start of control wiring installation, and suspension of the low voltage wiring to the structure is also underway.
- Multiple card readers were added to the project due to security concerns of the principal due to the the protable classroom trailers.

Project Budget/Forecast Update

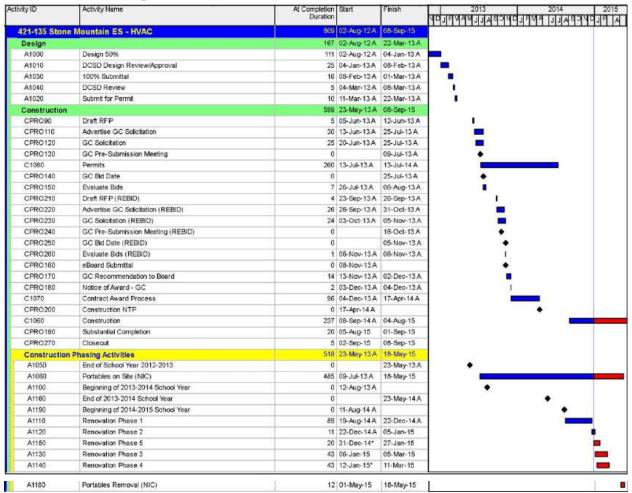

This project is currently forecasted to complete within budget.

Project Schedule Update

Major Project Issues

Stone Mountain HS (515-422)

Capital Renewal: HVAC, Roofing

Location: 4555 Central Drive Stone Mountain, GA 30083

Project Manager Fritzgerald Joseph, URS Architect/Engineer J. W. Robinson & Associates, Inc.

Project Phase Design Contractor TBD

Existed kitchen to be renovated

Existing classroom to be renovated

Existing doors to be replaced

Project Scope of Work

- Replace the grease trap and backflow preventer
- Relocate or install new emergency utility shutoffs at lab room exit doors in the 1976 Building

- Replace the water heaters in the 1976 building
- Repair the all storage buildings and dugouts
- Replace/repair all pedestrian paving
- Resurface roadways and parking lots
- Replace exhaust fans
- Repair/replace roof openings
- Repair/replace electrical panels (lighting, power, distribution) throughout the buildings
- Replace PA and clock systems
- Review and replace all shop equipment, lab equipment, family/consumer science equipment as appropriate
- Replace exterior doors/frames
- Replace toilet partitions and other fittings throughout the building
- Replace carpet throughout the building
- Replace plumbing fixtures (toilets, urinals, sinks, water fountains, valves, etc.) as appropriate
- Fire life safety upgrades as appropriate to perform above scope.

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- The A/E has identified that existing scope of work in addition to Life Safety scope can be completed within the present project budget SCL.
- A Request for Quote for Soil Borings was issued. The Purchase Order is being processed.

Major Project Issues

Technology - Bond Repayment (720-422)

Technology Bond Repayment

Project Manager John Wright, URS DCSD Project Manager Gary Brantley, DCSD CIO

Project Phase Non-Construction Contractor N/A

Project Scope of Work

 This project tracks the debt service payments for the \$38.0M technology bonds sold in December of 2012.

- The purchase of these bonds allowed several technology initiatives planned for later in the SPLOST IV program to be accelerated into the 2013 fiscal year.
- The Board approved the technology bond prior to its sale; however creation of the 720-422 project to track its repayment still requires Board review and approval for incorporation into the overall SPLOST IV program.
- This document is a placeholder until the board approves the Board approves the creation of project 720-422.

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

No activity for this reporting period.

N/A

Project Schedule Update

N/A

Major Project Issues

As previously reported, two budget reallocation requests are in the process of being approved.
 These need to be expedited as soon as possible.

Technology - Equipment (710-422)

Technology Updates

Project Manager John Wright, URS DCSD Project Manager Natalie Terrell, DCSD IT/MIS

Project Phase Non-Construction Contractor N/A

Project Scope of Work

21st Century Classroom Technology

- Complete the roll out of interactive boards to classrooms (this includes a projector for classrooms and ability for hand-held student "response devices" to interface with the interactive board)
- Provide students with access to desktop computers and/or laptops and/or tablet computers to support e-books and other digital content
- Provide video conferencing to support learning opportunities with universities and other K–
 12 schools
- Hardware Refresh
 - Update computer labs (e.g. general computer labs, career technology, business education, and engineering)
 - Update classroom computers as needed
 - Update administrative computers as needed

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- 21st Century Classroom Technology(\$9,000,000)
 - 99% completion rate for overall installations of 1920 instructional units within school buildings. The project started January 27, 2014 and will be completed September 2014.
 - 99% completion rate for overall installations of 256 portable (or trailer) instructional units.
 The installations started August 18, 2014 with a completion timeline of September 2014.
 - Final punchlist items are being addressed.
- Hardware Refresh(\$18,755,789)
 - 100% completion rate for all schools.
 - Currently, the rollout to refresh all laptops in all portable classrooms will commence
 October 29, 2014 with a tentative completion of November 2014.

Project Budget/Forecast Update

- This project is currently forecasted to complete within budget.
- Due to issuing the technology bond, \$1,711,382 will be reallocated from this project budget to the bond repayment budget (project 720-422) to cover the cost of issuing the bond as well as interest payments.
- This pending budget reallocation will be reflected below once fully executed.

Period Ending December 31, 2014

Major Project Issues

 As previously reported, efforts are currently being made to expedite the budget reallocation to ensure that the project continues to progress as planned.

Technology - Infrastructure Refresh (700-422)

Technology Updates

Project Manager John Wright, URS DCSD Project Manager Natalie Terrell, DCSD IT

Project Phase Non-Construction Contractor N/A

Project Scope of Work

- The DeKalb County School District (DCSD) has undertaken a technology plan to make 123 schools and centers wireless.
- An update of all SPLOST technology projects can be found on the website at http://www.DeKalb.k12.ga.us/splost-iv/projects/.

In addition to providing wireless access for all classrooms, we are using SPLOST funding to update hardware, provide 21st century classroom technology including interactive white boards, upgrade technology infrastructure, distribute digital content and upgrade telecommunications infrastructure.

- Wireless Access for All Classrooms (\$4,500,000)
 - The Information Technology (IT) Department will plan, coordinate, execute, and manage the installation of wireless equipment in every classroom district-wide.
 - This will include adding up to 3990 access points and 500 network switches.
 - Additionally, the district will install an upgraded wireless network management platform and a new identity management solution.
- Digital Content Distribution (\$1,500,000)
 - Provide schools with the technology to share digital content, broadcast morning announcements, videos, and the like.
- Infrastructure Upgrades (\$1,200,000)
 - o Replace aging power back-up devices, networking equipment, and file and print servers.
 - This upgraded equipment is a critical component in that it supports critical resources such as Internet access and district-wide instructional and administrative software.
- Upgrade to Telecommunications Infrastructure (\$1,000,000)
 - Upgrade existing telephone equipment as needed.
 - Provide a district-wide emergency notification system that will send messages via text, email, and telephone.

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- Digital Content Distribution
 - Initial discussions and preview of possible solutions are in progress.
- Infrastructure upgrades
 - Planning is in progress

Project Budget/Forecast Update

This project is currently forecasted to complete within budget.

No change orders were executed during this period.

Project Schedule Update

This project is currently forecasted to complete on schedule.

Major Project Issues

No major project issues at this time.

Toney ES (132-422)

Capital Renewal

Location: 2701 Oakland Terrace Decatur, GA 30032

Project Manager Wayne Channer, URS Architect/Engineer KHAFRA Engineering

Project Phase Design Contractor TBD

Existing problem with clearance

Roof vent fans to be investigated

Project Scope of Work

- Provide ADA upgrades to the parking lot and hall restrooms
- Replace the roofs and roof openings
- Install a 20-ton HVAC unit in the gym
- Provide ADA and Fire Life Safety upgrades as appropriate for the scope of work above

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

 The preliminary estimate is over the stated cost of limitation and a meeting with DCSD has been requested to make a determination on scope adjustment.

Project Budget/Forecast Update

 The scope of work and related cost estimates are being reviewed. Because of the preliminary cost estimates scope and/or budget adjustments may be required.

Change Order Summary

No change orders were executed during this period.

Project Schedule Update

Major Project Issues

No major issues to report at this time.

Towers HS (333-422)

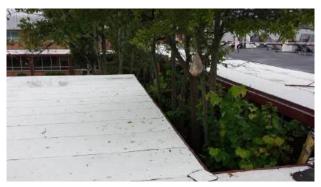

Capital Renewal: Roofing

Location: 3919 Brookcrest Circle Decatur, GA 30032

Project Manager Wayne Channer, URS

Project Phase Construction / Close Out Design/ Builder Klein Contracting Corporation

New roof over front office

Trees overhanging new roof work

Project Scope of Work

- Replace the roof on the 1963 and 1965 buildings
- Remove the roof skylights

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- A change order is being processed by DCSD for repairs and structural bracing to comply with Structrual Engingeering report.
- A change order for a review and resolution recommendation of the door canopy issue is being reviewed by the District for approval.
- Work has stopped and the contractor has pulled off the job while awaiting direction for the two change orders and for the weather to warm up.

Project Budget/Forecast Update

333-422			EXPEND	ITURES	
Activity	Current Budget (B)	Current Commitments	Forecast (F)	To Date	Budget Variance (B - F)

Change Order Summary

No change orders were executed during this period.

Project Schedule Update

Major Project Issues

The steel canopies listed in the change order request above will need to have remediation or replacement based on the results of the study requested. This may impact the schedule.

Towers HS (334-422)

Capital Renewal: Culinary Arts Lab Renovation

Location: 3919 Brookcrest Circle Decatur, GA 30032

Project Manager Wayne Channer, URS Architect/Engineer KHAFRA Engineering

Project Phase Design Contractor TBD

Concession stand to be reworked

Baseball dugouts with water issues

Project Scope of Work

- Install a door between the Culinary Arts Kitchen and the Culinary Arts classroom
- Evaluate the Culinary Arts Lab grease trap and replace if determined to be necessary
- Repair rain water drainage in buildings 1963 and 1965
- Evaluate and make recommendations on all storage facilities, dugouts, concession buildings
- Evaluate and make recommendations regarding all site improvements
- Fire Life Safety upgrades as appropriate to perform above scope

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

The release for the Architect to start the Schematic Design has been delivered.

Project Budget/Forecast Update

This project is currently forecasted to complete within budget

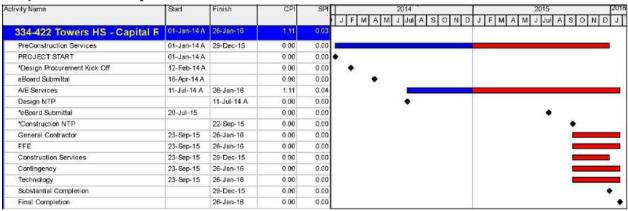

334-422		EXPENDI	TURES

Project Schedule Update

Major Project Issues

No major issues to report at this time.

Vanderlyn ES (133-422)

ADA: HVAC, Kitchen Equipment, Restroom

Location: 1877 Vanderlyn Drive Dunwoody, GA 30338

Project Manager Don Little, URS Architect/Engineer GSB Architects, Inc.

Project Phase Design Contractor TBD

Existing boys' restroom

Existing handicap stall in girls' restroom

Project Scope of Work

- Minor bathroom renovations for ADA compliance
- Evaluate and replace kitchen equipment as appropriate.
- Fire Life Safety upgrades as appropriate to perform above scope

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- As previously reported, the 50% Construction documents have been issued and are currently being reviewed by the CIP Team.
- The esitmates for completing the associated scopes of work are still higher then the projects stated cost limits. DCSD will need to provide direction to the CIP Team for additional funding or scope reduction, prior to developing the Construction Documents.

Project Budget/Forecast Update

- The scope of work and related cost estimates are being reviewed. Scope and/or budget adjustments will be required.
- The Design Team has requested a contract amendment to provide designs and contract administration services greater than the RFP's stated contract cost.

Major Project Issues

No major issues to report at this time.

Warren Technical School (003-422)

HVAC SPLOST III Carryover

Location: 3075 Alton Road Chamblee, GA 30341

Project Manager Fritzgerald Joseph, URS Architect/Engineer Richard Wittschiebe & Hand

Project Phase Design Contractor TBD

Cafteria HVAC, ceiling and lighting fixtures to be replaced

Bathroom fixtures to be replaced

Waterfountain fixtures to be replaced

Project Scope of Work

• In order to fund critical improvements, additional funds for construction were allocated from SPLOST IV (Project 003-422), to compliment the work included in SPLOST III (Project 421-129). Project 003-422 includes funds allocated towards the General Contractor's construction budget; all other services, design, etc. included in Project 421-129.

The scope of work includes:

- Replacement of existing ceilings and lighting fixtures throughout the school
- Replacement of existing freezer and cooler
- New kitchen exhaust hood with a makeup air unit and air conditioning for the kitchen
- New direct digital controls (DDC) energy management controls
- Installation of a new 3,000-gallon grease trap
- Installation of reduced pressure zone (RPZ) devices on existing domestic and fire water supply lines
- New emergency generator
- New parking lot lighting (coordinated with Georgia Power)

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- Construction is now scheduled over the 2015 summer break.
- As previously reported, design reviews have predicted possible project overruns and value engineering options are being evaluated to bring the project back into budget.
- Due to the special needs of the students and the instructional requirements, the CIP team cannot phase the renovation work in temporary classrooms. This significantly impacts the schedule, allowing for only summers to create an opportunity for work to take place. As a result, in discussions with DCSD and the principal, a new finish date of September 2015 has been decided upon.

Project Budget/Forecast Update

- As previously reported, this project is currently forecasted not to complete within budget. Value engineering options are being evaluated.
- As previously reported, budget reallocations are pending.

Change Order Summary

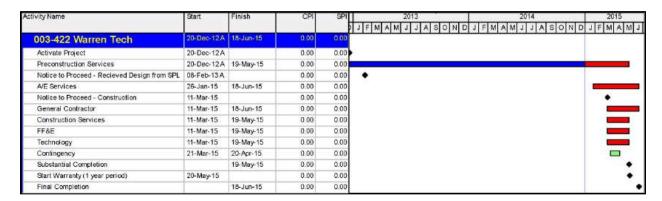

No change orders were executed during this period.

Project Schedule Update

This project is currently forecasted not to complete on schedule.

Major Project Issues

 As previously reported, the scope of work and schedule of this project are being analyzed for efficiency.

Warren Technical School (421-129)

HVAC

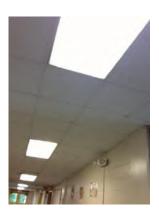

Location: 3075 Alton Road Chamblee, GA 30341

Project Manager Fritzgerald Joseph, URS Architect/Engineer Richard Wittschiebe & Hand

Project Phase Pre-Construction Contractor N/A

Hall Lighting to be Replaced

Hall Lighting to be Replaced

Classroom Lighting to be Replaced

Project Scope of Work

 Project 003-422 includes funds allocated towards the General Contractor's construction budget; all other services, design, etc. included in Project 421-129.

The scope of work includes design of:

- Replacement of existing ceilings and lighting fixtures throughout the school
- Replacement of existing freezer and cooler
- New kitchen exhaust hood with a makeup air unit and air conditioning for the kitchen
- New direct digital controls (DDC) energy management controls
- Installation of a new 3,000-gallon grease trap
- Installation of reduced pressure zone (RPZ) devices on existing domestic and fire water supply lines
- New emergency generator

New parking lot lighting (coordinated with Georgia Power)

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- Construction is now scheduled over the 2015 summer break.
- As previously reported, design reviews have predicted possible project overruns.
- As previously reported, value engineering options are being evaluated to bring the project back into budget.
- The District has given direction on how to proceed with Budget and scope for this project. This project will be moving on to the next phase, GC Procurement, so that construction can start the Summer 2015.

Project Budget/Forecast Update

This project is forecasted to complete within budget once budget reallocations have been executed.

Updated schedule should reflect Summer 2015 completion.

Warren Technical School (337-422)

Capital Renewal: Roofing, Kitchen Equipment

Location: 3075 Alton Road Chamblee, GA 30341

Project Manager Fritzgerald Joseph, URS Architect/Engineer McMillan Pazdan Smith

Project Phase Design Contractor TBD

View of existing roof memebrane

Project Scope of Work

- Replace the roof and ancillary roofing elements, including ladder and roof hatch (1963 and 1965 building)
- Replace the roof openings (1955 and 1960 building)
- Fire Life Safety upgrades as appropriate to perform above scope

Project Status Update (Period ending December 31, 2014 & January 31, 2015)

- The priority will be the roof replacement based on the Preliminary Report comments. The bathrooms will receive ADA up grades only.
- To adequately address the roofing, additional funds are required. Budget reallocations have been submitted. The Architect is waiting for authorization to move forward with Design.

Project Budget/Forecast Update

- A reallocation within the project budget has been submitted to increase the A/E budget to cover current commitments. Once processed, this will remove the negative budget variance.
- The District has provided direction on how to proceed with budget and scope for this project.

This Monthly Status Report provides a "snapshot" of the Program on or about the date of the report. It contains past, current, and forward-looking statements that involve evaluating risks, uncertainties, and assumptions. If such risks or uncertainties materialize, or such assumptions prove incorrect, information contained in the Report could differ materially from that stated. The URS Team should be consulted – and additional data may need to be gathered – before making strategic decisions based upon the contents of this Report.

4. SPLOST III Master Program Schedule

6. SPLOST IV Funding, Obligations, and Expenditures

Due to the data cut-off date occurring prior to the end of the month, values reflected for the current month are subject to change due to transactions occurring between the data cut-off date and the end of the month. Transactions occurring after the data cut-off date will be captured during the next reporting period.

7. SPLOST IV Funding Sources

Revenue data as reported by the Georgia Tax Center online at http://gtc.dor.ga.gov/.

Due to the data cut-off date occurring prior to the end of the month, values reflected for the current month are subject to change due to transactions occurring between the data cut-off date and the end of the month. Transactions occurring after the data cut-off date will be captured during the next reporting period.

8. SPLOST IV Master Program Schedule

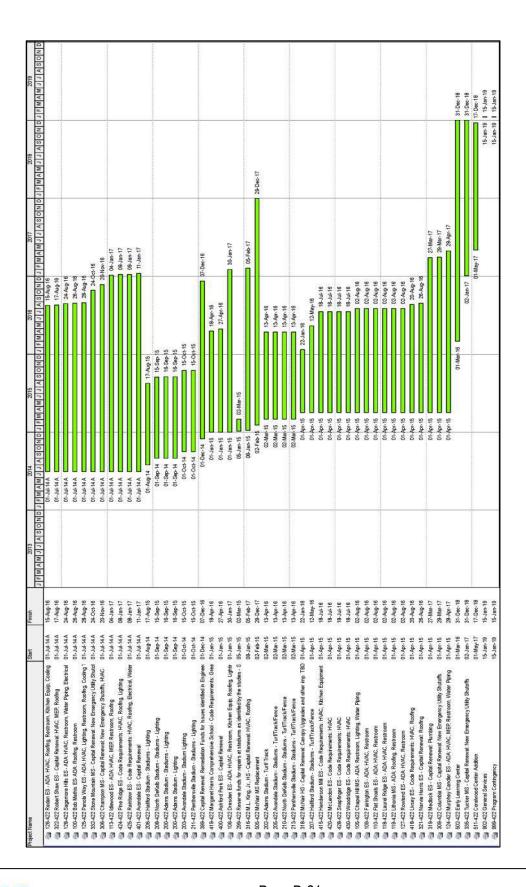

9. Glossary of Construction & CIP Terms

Active Project

A project is considered active from the early start date in the Master Program Schedule through project closeout.

ADA

The Americans with Disabilities Act gives civil rights protection to individuals with disabilities similar to those provided to individuals on the basis of race, color, sex, national origin, age, and religion. It guarantees equal opportunity for individuals with disabilities in public accommodations, employment, transportation, state and local government services, and telecommunications.

Addendum

(Addenda) Written information adding to, clarifying or modifying the bidding documents. An addendum is generally issued by the owner to the contractor during the bidding process and as such, addenda are intended to become part of the contract documents when the construction contract is executed.

Alternate Bid

Amount stated in the bid to be added or deducted from the base bid amount proposed for alternate materials and/or methods of construction.

Application for Payment

Contractor's written request for payment for completed portions of the work and, for materials delivered or stored and properly labeled for the respective project.

BAFO

Best And Final Offer. During contract negotiations, this is a term used to describe quote submissions from vendors to the project owner.

Bid

An offer or proposal of a price, including the amount offered or proposed.

Bid Form

A standard written form furnished to all bidders for the purpose of obtaining the requested information and required signatures from the authorized bidding representatives.

Bid Opening

The actual process of opening and tabulating bids submitted within the prescribed bid date/time and conforming with the bid procedures. A Bid Opening can be open (where the bidders are permitted to attend) or closed (where the bidders are not permitted to attend).

Bidding Documents

The published advertisement or written invitation to bid, instructions to bidders, the bid form and the proposed contract documents including any acknowledged addenda issued prior to receipt of bids.

Change Order (CO)

A written document analyzed and recommended by the architect and program manager, and approved by DCSD Design and Construction Department, and executed by the DCSD Superintendent and BOE as appropriate, authorizing a change in scope of work, an adjustment in the contract price, or the contract schedule. The contract sum and the contract time may be changed only by change order. A change order may be in the form of additional compensation or time; or less compensation or time known as a Deductive C.O.

Change Order Request (COR)

A written document requesting a change in scope of work, an adjustment in the contract price, or the contract schedule.

Closed Project

A project is considered closed when all final contract payments have been made, any claims settled, and all remaining project monies are transferred to the Programs' contingency fund.

Construction Document Phase

The construction document phase is generally the third phase of design. The CD phase follows right after the DD Phase. In this phase the architect and engineer develop much of the details of the project along with the drawings and specifications that the contractor will use to build the project. In many cases CD's are further broken into sub-phases; 30% CD's, 60% or 80% CD's and 100% CD's.

Design Development Phase

The design development (DD) phase of design is generally the second phase nestled right between schematic design (SD) and construction document (CD) phase. Much of the actual design happens in this phase.

Earned Value Management Initiative –

Earned Value Management (EVM) is a project management technique for measuring project performance and progress against the project plan in an objective manner. It has the ability to combine measurements of scope, schedule, an costs in a single integrated system. Earned Value Management is able to provide accurate forecasts of project performance problems, which is an important contribution for project management. Essential features of any EVM implementation include:

- A project plan that identifies work to be accomplished
- A valuation of planned work, called Planned Value (PV) or Budgeted Cost of Work Scheduled (BCWS)
- Pre-defined "earning rules" (also called metrics) to quantify the accomplishment of work, called Earned Value (EV) or Budgeted Cost of Work Performed (BCWP)

For the project's schedule and cost performance with EVM, you use the following indicators:

- Schedule variance (SV): The difference between the amounts budgeted for the work you actually
 did and for the work you planned to do. The SV shows whether and by how much your work is
 ahead of or behind your approved schedule.
- Cost variance (CV): The difference between the amount budgeted and the amount actually spent for the work performed. The CV shows whether and by how much you're under or over your approved budget.
- Schedule performance index (SPI): The ratio of the approved budget for the work performed to the
 approved budget for the work planned. The SPI reflects the relative amount the project is ahead of
 or behind schedule, sometimes referred to as the project's schedule efficiency. You can use the
 SPI to date to project the schedule performance for the remainder of the task.
 - A project with a SPI greater than 1.0 indicates that the project is ahead of schedule. If the project SPI is less than 1.0 the project is behind schedule. An SPI equal to 1.0 indicates that a project is precisely on schedule
 - Cost performance index (CPI): The ratio of the approved budget for work performed to
 what you actually spent for the work. The CPI reflects the relative value of work done
 compared to the amount paid for it, sometimes referred to as the project's cost efficiency.
 You can use the CPI to date to project the cost performance for the remainder of the task.
 - A project with a CPI greater than 1.0 indicates that actual cost is less than budgeted cost or that the project is under budget. A CPI less than 1.0 indicates that the project is over budget. A CPI equal to 1.0 indicates that a project is precisely on budget.

Facility or Site Analysis

A visual inspection of a building and on-site improvements for functional or physical deterioration; prepare optional Replacement Cost Estimate for making recommendations to improve functional and physical deficiencies to increase market value; AND/OR prepare a Reserve Study over five (5) years to increase Net Operating Income (NOI) for the facility.

FMO

Abbreviation for Fire Marshall Office

Funding

For this, and future reports, the term "funding" will represent the total intake of revenue, bond receipts, and GA DOE Reimbursements.

GC

Abbreviation for General Contractor.

General Conditions

A written portion of the contract documents set forth by the owner stipulating the contractor's minimum acceptable performance requirements including the rights, responsibilities and relationships of the parties involved in the performance of the contract. General conditions are usually included in the book of specifications but are sometimes found in the architectural drawings.

General Contractor

The prime or main contractor to the Owner that is contracted to perform all work agreed upon in the project scope of work, schedule and sum.

Indirect Cost (or expense)

A contractor's or consultant's overhead expense; expenses indirectly incurred and not chargeable to a specific project or task. The terms indirect costs and soft costs are synonymous.

Lump Sum Contract

A written contract between the owner and contractor wherein the owner agrees to pay the contractor a specified sum of money for completing a scope of work consisting of a variety of unspecified items or work.

Notice of Award

Written confirmation of an award of a contract by the Owner to a successful bidder; it may also contain a notice to proceed, and it is sometimes used in lieu of a purchase order to a vendor.

Notice To Proceed (NTP)

A letter from the Owner to the Architect, Engineer, Consultant and/or Contractor stating the date the work can begin per the conditions of the contract. The performance time of the contract starts from the NTP date.

Obligations

Funds that are committed by an executed contract.

Plans

A term used to represent all drawings including sections and details; and any supplemental drawings for complete execution of a specific project.

Preliminary Drawings

The drawings that precede the final approved drawings. Usually these drawings are stamped or titled "PRELIMINARY"; and the "PRELIMINARY" is removed from the drawings upon being reviewed and approved by the owner

Pre-qualification of prospective bidders

A screening process wherein the owner or his/her appointed representative gathers background information from a contractor or construction professional for selection purposes. Qualifying considerations include competence, integrity, dependability, responsiveness, bonding rate, bonding capacity, work on hand, similar project experience, and other specific owner requirements

QSCB

Abbreviation for Qualified School Construction Bond, a U.S. debt instrument created by the American Recovery and Reinvestment Act of 2009. QSCBs allow schools to borrow for the rehabilitation, repair and equipping of schools. Funds can be used for renovation and rehabilitation projects, new building construction and land acquisition, as well as equipment purchases.

RFI

Abbreviation for Request for Information. A written request from a contractor to the owner or architect for clarification or information about the contract documents following contract award.

RFP

Abbreviation for Request for Proposal. A written request from the requestor (usually the owner or a contractor) to a contractor, design professional or subcontractor for an estimate or cost proposal. The RFP usually contains a specific scope of work.

Safety Report

The Occupational Safety and Health Act of 1970 clearly states the common goal of safe and healthful working conditions. A Safety Report is prepared following a regularly scheduled project safety inspection of the specific project.

Schedule of Values

A statement furnished by the contractor to the architect or engineer reflecting the portions of the contract sum allotted for the various parts of the work and used as the basis for reviewing the contractor's applications for progress payments.

Schematic

A preliminary sketch or diagram representing the proposed intent of the designer.

Schematic Design Phase

The first phase of the architect's basic services in which the architect consults with the owner to ascertain the requirements of the project and prepares schematic design studies consisting of drawings and other documents showing the scale and project components for the owner's approval.

Scheme

A chart, a diagram, or an outline of a system being proposed. An orderly combination of related construction systems and components for a specific project or purpose.

Scope of Work

A written range of view or action; outlook; hence, room for the exercise of faculties or function; capacity for achievement; all in connection with a designated project.

Special Conditions

A section of the conditions of the contract, other than the General Conditions and Supplementary Conditions, which may be prepared for a particular project. Specific clauses setting forth conditions or requirements peculiar to the project under consideration, and covering work or materials involved in the proposal and estimate, but not satisfactorily covered by the General Conditions. (See General Conditions)

Structural Design

A term used to represent the proportioning of structural members to carry loads in a building structure.

Swing Space

Interim space occupied during a construction/renovation project.

Sub

Abbreviation for Subcontractor.

Subcontract

A written form of agreement between the prime or main contractor and another contractor or supplier for the satisfactory performance of services or delivery of material as set forth in the plans and specifications for a specific project.

Subcontractor

A qualified subordinate contractor to the prime or main contractor.

T&M

Abbreviation for a contracting method called Time and Materials. A written agreement between the owner and the contractor wherein payment is based on the contractor's actual cost for labor, equipment, materials, and services plus a fixed add-on amount to cover the contractor's overhead and profit.

Unit Price Contract

A written contract wherein the owner agrees to pay the contractor a specified amount of money for each unit of work successfully completed as set forth in the contract.

Variance

This report uses the term variance to indicate the calculation of the current budget less the forecasted cost at completion. A positive variance amount does not indicate that funds are available for use on additional projects. The original scope of work must be completed before funds can be reallocated.

Zoning

Restrictions of areas or regions of land within specific geographical areas based on permitted building size, character, and uses as established by governing urban authorities.

Zoning Permit

A document issued by a governing urban authority permitting land to be used for a specific purpose.

Construction Delivery Methods

Design/Bid/Build

Under this traditional method, an architectural firm is hired and serves as the owner's agent. Although the firm may have numerous responsibilities, including the selection of consultants, its primary responsibility is to provide and oversee the design and construction documents for the project. As the design progresses, cost estimates are periodically prepared by the architectural firm and external cost estimators. Once the construction documents and specifications are completely finished, and other requirements of the owner

have been met, the project is bid and subsequently awarded to the Bidder whose bid is the lowest responsive responsible bid.

Design/Propose/Build

Under this traditional method, an architectural firm is hired and serves as the owner's agent. Although the firm may have numerous responsibilities, including the selection of consultants, its primary responsibility is to provide and oversee the design and construction documents for the project. As the design progresses, cost estimates are periodically prepared by the architectural firm and external cost estimators. Once the construction documents and specifications are completely finished, and other requirements of the owner have been met, the project is solicited as a Request for Proposals and subsequently awarded to the Offeror whose proposal is most advantageous to the Board of Education.

Construction Manager at Risk

This system of delivery is similar to that of Design/Bid/Build with three key differences. First, a construction manager is hired during the preconstruction phase to manage the construction process, including the selection of subcontractors. Second, through coordination between the architect and construction manager, the design and construction phases can be overlapped thereby expediting the delivery process. Third, the construction manager, who is responsible for quality control, scheduling and the estimate of construction costs, provides a guaranteed maximum price for the project.

Design/Build

Rather than hiring an architect, under Design/Build the owner enters into a contract with a single firm with design and building capabilities or a construction entity that employs the architect as a consultant. As with the aforementioned delivery system, a guaranteed maximum price for the entire project may be provided, construction management techniques to overlap design and construction phases are utilized, and the overall project delivery is expedited.

CIP Project Phase Descriptions

Planned

This is the status of upcoming projects that are part of the SPLOST program, but have not yet started yet.

Pre-Design and Programming

This is the first active phase of a project, during which a project manager is assigned and the scope of work to be performed is developed in greater detail. Once the project manager has analyzed the project and completed scoping, the project moves into Design Procurement.

Design Procurement

This is the phase where architectural/engineering services are procured for a project. It may involve the RFP, bidding, award, contract review, and contract execution activities.

Design

Once an A/E is awarded a design services contract, design work commences with the NTP. During design the project scope is further developed into construction documents that will be used to define the work for the contractor to complete on-site.

Pre-Construction

The Pre-Construction phase consists of construction procurement, as well as coordination by the CIP Team for any other activities prerequisite to construction, i.e., relocation into swing space.

Construction

Construction begins once the contractor is issued a NTP. During construction is when most of the on-site activity of a project occurs.

Close-out

Upon Substantial Completion, the final inspection, submission of necessary documentation, acceptance, and concluding payment on a construction project, as required by the contract documents.

Closed

All design, construction, and close-out requirements for the project have been completed and accepted by the owner. Final payment has been made, and the project is no longer active. Note: project warranties (as applicable) may still be enforced and are not affected by the project status.

Non-Construction Project

This phase relates to activities within the CIP that are on-going throughout the length of the program, or are not buildings projects and more administrative by nature. These projects are generally supporting activities.

Construction Project Financial Terms

Original Budget

The budget amount assigned to the project for the original scope of work.

Budget Revisions

Changes made to the budget of each individual cost code for the project. These changes are tracked during the duration of the project.

Current Budget

The current budget represents the original budget plus or minus any budget revisions.

Original Contracts

Once a vendor has been awarded a contract for any portion of work for the project, the original contract dollar amount is recorded. Each contract is placed within the appropriate cost code.

Executed Change Orders

A change order is work that is added to or deleted from the original scope of work of a contract, which alters the original contract amount or completion date.

Current Contracts

The current contract represents the original contract plus or minus any executed change orders.

Paid To Date

This represents payments that have been issued to a vendor against their contract.

Approved Requests Waiting Payment

This is vendor pay requests that have been approved for payment and are in the process of having a check released.

Contracted Balance

The calculation of a vendor's current contract amount less any pay requests that have been paid or approved to be paid. This provides a status of the financial obligation to complete the contract.

Change Order Requests

Change Order Request (COR) are additional scope of work items. This is part of the construction process and is a place holder for funds against the existing contract. They may add or remove any portion of work from the project. After approval, multiple CORs may be combined into a single change order for the contract. As used in this report, COR amounts serve as placeholders on the applicable budget and will only impact the budget after final approval of the related CORs is achieved via either final DCSD signatures or Board of Education approval and final DCSD signatures.

Estimate To Complete Forecast

The Estimate To Complete (ETC) Forecast is a manual analysis of the projects expected cost needed to complete all the remaining work. This is a place holder for work that is not currently under contract but will be at some point in the future to complete the project. This is not a calculated field, rather a manual estimated amount based on a periodic review of the project status. This analysis includes CORs for which approval is pending and other future work not yet identified and memorialized in CORs.

Estimate At Completion

The Estimate At Completion (EAC) is calculated by adding the current contract plus the CORs plus the estimate to complete for all of the remaining work.

Forecasted Budget Balance

The Forecasted Budget Balance column represents the current budget less the estimate at completion. If funds are available from the current budget after the scope

Capital Improvement Program 2012 - 2017

DeKalb County Board of Education | 1701 Mountain Industrial Boulevard · Stone Mountain, GA 30083 P: 678.676.1200 | F: 678.676.0785
