**Chesnut
Elementary School**

Mission

Chesnut Elementary students will STEAM forward in the 21st Century as they hone their technical skills which will enable them to effectively navigate real-world problems they encounter. They will be challenged through rigorous content which will prepare them to think critically, investigate, communicate, ask questions, use their imaginations, collaborate to develop plans, and create solutions!

Vision

To have global minded students that think critically and creatively and collaborate and communicate with others as they prepare for 21st careers and actively contribute to their community.
