Mission and Goal Strategies

- 1. Build trusting relationships among all staff, students, and families.**
- 2. Provide opportunities for each student to develop a feeling of self-worth, sensitivity to others, self-reliance, appreciation for cultural diversity, and decision-making skills.**
- 3. Systematically utilize available resources within the school system and the community.**
- 4. Provide diverse experiences for students which foster successful transition into adult life.**
- 5. Facilitate understanding and support for students and their families within the community.**
