

# Shadow Rock Center

## About Us

Shadow Rock Center serves students in grades K-5 and works with The Georgia Network for Educational and Therapeutic Support (GNETS) to provide students referred to them by their local school system's Individual Education Program (IEP) process.

## Mission

To provide holistic, meaningful instruction in a safe, supportive, structured environment.

## Vision

To provide evidence-based interventions that give students the opportunity for growth through enhancing the students' emotional/behavioral management by fostering a non-judgmental and safe environment by encouraging the use of restorative practices, coping, and decision-making skills, to facilitate their progress towards academic growth, and social success at school, home, and in the community.

# Goals

**Shadow Rock Center's overall goal is to prepare students to continue their education in a less restrictive environment.**

- Build trusting relationships among all staff, students, and families
- Provide opportunities for each student to develop a feeling of self-worth, sensitivity to others, self-reliance, appreciation for cultural diversity, and decision-making skills.
- Provide diverse experiences for students which foster successful transition into adult life.
- Facilitate understanding and support for our students and their families within the community.

## Address

1040 Kingway Drive

Lithonia, GA 30058
