## MES DE LA PARTICIPACION FAMILIAR

El Mes de la Participación Familiar es un momento especial dedicado a celebrar y reconocer el papel esencial que desempeñan las familias en el apoyo a la educación y el bienestar general de sus hijos. Es un mes para reflexionar sobre el poderoso impacto que tienen las asociaciones entre familias, educadores y partes interesadas de la comunidad en el éxito y el desarrollo de los estudiantes. Esta es una oportunidad para honrar el compromiso compartido de fomentar el crecimiento de los niños, crear entornos ricos en aprendizaje y fomentar relaciones sólidas que empoderen a las familias y construyan comunidades resilientes. Juntos, abrazamos la idea de que la colaboración amplifica nuestros esfuerzos y realmente somos más fuertes como comunidad unida.
